

GreenStreet

1201 Fannin Street, Houston, TX 77002

Downtown's new
downtown is coming

GreenStreet is transforming into a **dynamic, eco-conscious destination**, blending reimagined, sustainable office spaces with an exciting, refreshed entertainment district. This revitalization will offer a seamless experience where innovative, green offices meet a thriving, four-block hub of dining, shops, and entertainment, redefining downtown living and working.

Committed to Sustainability

The upcoming renovations will feature innovative eco-friendly elements, such as rooftop solar panels to achieve net-zero carbon emissions and potential rainwater harvesting systems.

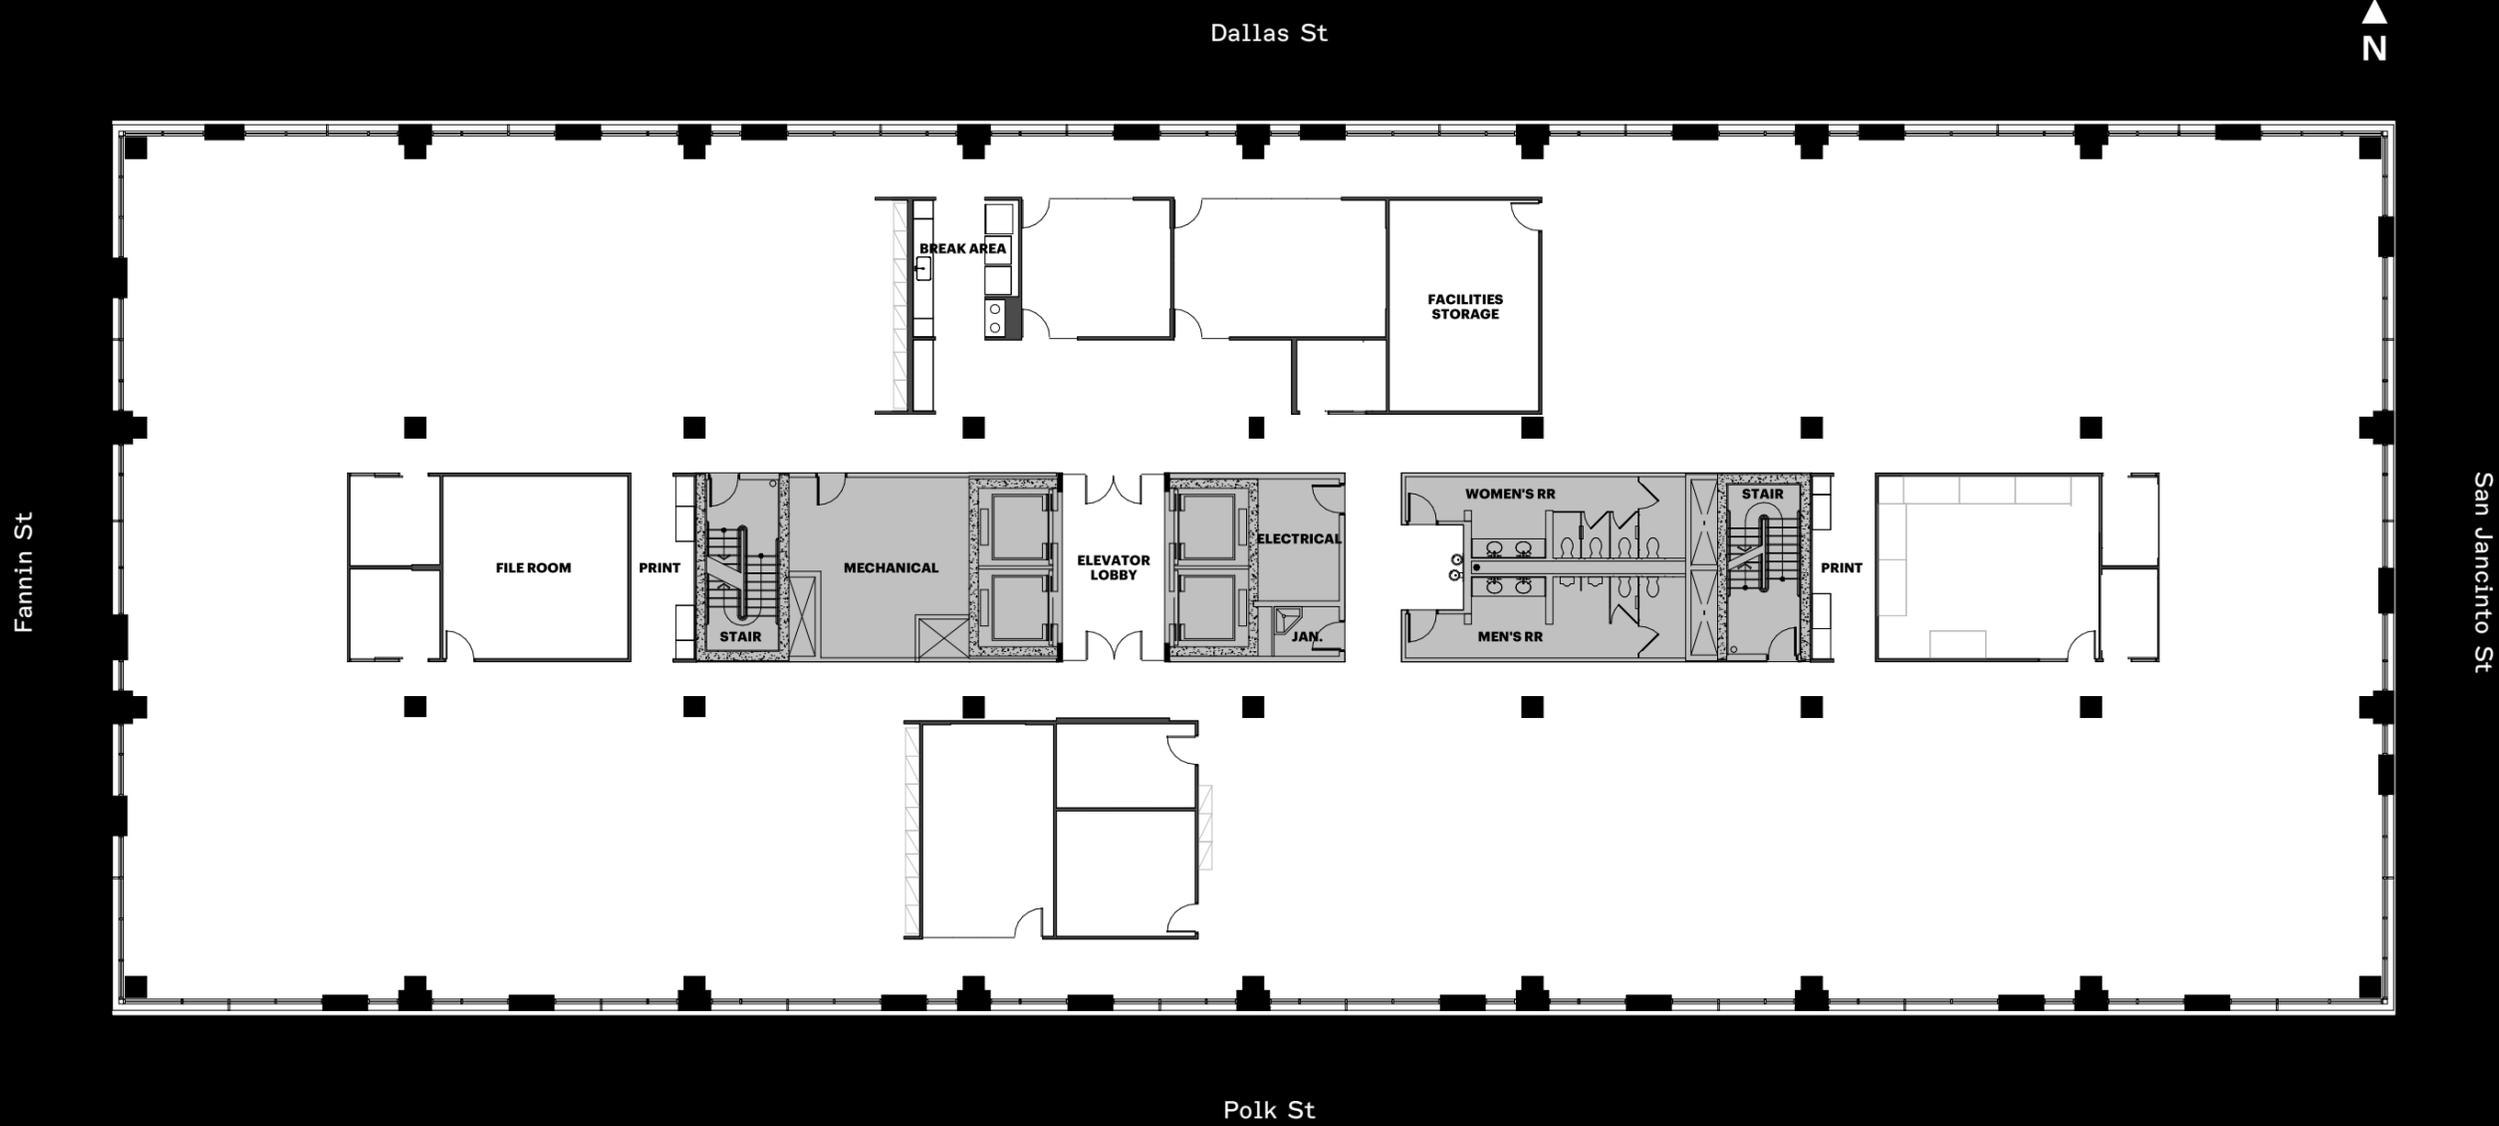

Prioritizing visitor comfort, and aligning the growing desire for open-air spaces, the design incorporates advanced climate control technology to mitigate Houston's extreme heat.
