

SUITE 87B

The Walker

THE SUITE

More character per square foot than suites twice its size.

Original steel windows, exposed brick, and a focus room tucked inside a historic elevator shaft. Suite 87B is one of the more intimate spaces on the block — and one of the most distinctive.

Two phone booths, two storage rooms, and the option to connect to a neighboring suite when your team is ready to level up.

ORIGINAL HOME OF

Walker & Tipton Co.

Specialty Food Wholesale/Retail

This building housed Walker & Tipton Co., "fancy" grocers who supplied Atlanta's finest tables with imported goods and specialty food products at the height of the city's early commercial boom.
