STRONG TENANT BASE PROPERTY

Pleasant View Surgery Center is a physician-owned, multi-specialty Ambulatory Surgery Center located in Post Falls, Idaho, conveniently situated between Coeur d'Alene and Spokane, Washington. Since opening in 2012, they have provided high-quality surgical care to their community, earning accreditation from both the Accreditation Association for Ambulatory Health Care (AAAHC) and the Centers for Medicare and Medicaid Services (CMS).

Their center specializes in a variety of surgical services, including orthopedics, neuro/minimally invasive spine surgery, podiatry, hand surgery, cosmetic and plastic surgery, general surgery, and pain management. By focusing on outpatient procedures, they provide patients with an efficient and cost-effective alternative to hospital-based care without compromising on quality or safety.
