PROPERTY DESCRIPTION

This four-building industrial property offers a unique opportunity as a pure investment or owner-user looking to occupy 2,800 square feet of industrial space and benefit from some rental income from the other two buildings.

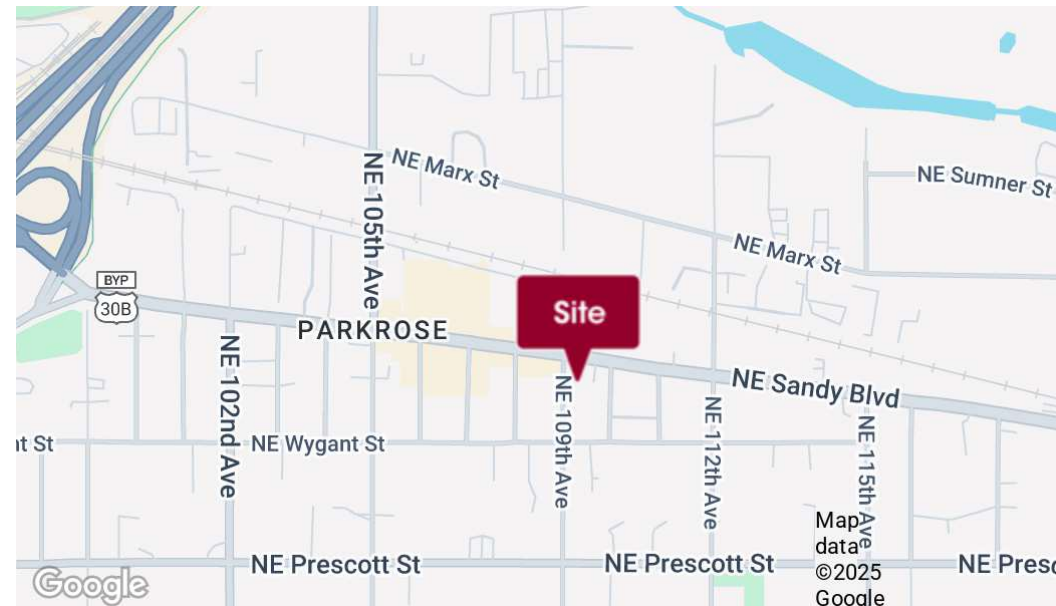

The buildings are clear span and very functional for many types of different users offering grade level loading, 16'-18' clear height and 3 phase power.

The Seller was an owner-occupant of 10928 NE Killingsworth Bldg A and will vacate at closing.

Portland Spray works has been a long-term tenant and recently renewed the lease to \$3,500.00 month. Seller elected to lease on a month-to-month to keep flexibility to the new buyer. We believe the tenant would sign a longer-term lease if requested by the Buyer.

PROPERTY HIGHLIGHTS

- Incredibly flexible zoning which allows a wide variety of uses including industrial, retail sales and service, vehicle repair, and household/group living.
