PROPERTY SUMMARY

The Silco Building offers professional office suites with sweeping mountain and city views, creating an inspiring work environment for tenants and visitors alike. The property features expansive on-site parking, providing convenient access for both employees and clients.

Interior improvements include updated floor tile finishes throughout the common areas and suites, along with fully functioning window coverings for added privacy and light control. Most suites are equipped with private, in-unit restrooms, while well-maintained common restrooms are located on each floor for additional tenant convenience.
