Zoning Breakdown* - "I-L" Industrial District

INDUSTRIAL I

1. **Purpose:** The industrial district is intended to accommodate manufacturing, processing, fabrication, assembly, and storage of material and products, and most commercial, or similar compatible uses, and industrial enterprises, as well as allowing service facilities for industries and their employees. This district may also accommodate warehousing, distribution, and wholesaling services with increased heavy truck traffic in locations and upon sites which are able to accommodate increased truck traffic.
2. **Use Table:**
 - a) The following table identifies the uses allowed by right ("R") or the uses requiring a special use permit ("S") within the Industrial District. Any use not listed shall be prohibited except as set forth in Section II.C.3, Unlisted Uses.
 - b) All uses shall meet all applicable provisions set forth in Section III, Use Standards and Section V, Detailed Development Standards regardless of the approval level identified in the Use Table below. Where able, the Use Table identifies the additional standards applicable to uses.
 - c) Any standard set forth in these Regulations not met by the property owner or operator shall constitute a violation of these Regulations and shall be enforced as set forth in Section VII, Enforcement.
 - d) Any uses allowed by right in the General Commercial Zone District shall also be allowed by right in the Industrial Zone District unless specified otherwise in this section
