The Xchange at Bedford is an eight-building, state-of-the-art campus attracting some of the most innovative companies in the region.

The campus sits prominently along Route 3, with easy access to major highways including Route 128 & 95. Being located on the Bedford/Burlington line gives the campus tremendous access to the extensive restaurants, retail & hospitality that Burlington has to offer just minutes away.

The campus itself offers a robust amenity package with a full-service cafeteria, fitness center, outdoor green space, ample parking, etc.
