NOTES

Passed, great job.

Mar 6, 2025, 8:54 AM

A Fire Inspection from the Alvin Fire Marshal's office has been conducted of your facility. During this inspection, condition(s) that are in violation of City safety codes were noted and are listed above. City law requires that the violation(s) listed above be corrected before the re-inspection date. The corrections of all unsafe condition(s) will improve emergency personnel's ability to save lives and to protect your property. Your assistance and cooperation is sincerely appreciated.

Number of Violation (s):

Re inspection Date

If you have any questions about this fire prevention inspection or any other fire related questions, please contact the Alvin Fire Marshal's Office at the above number.
Thank you for helping to make Alvin a safe, clean, healthy place to live, work and visit.
