# SITE PLAN

# LOCATION OVERVIEW

Strategically located in Ottawa, Illinois with immediate access to IL Route 23 and minutes from Interstate 80 (I-80) and Interstate 39 (I-39), providing strong east/west and north/south connectivity. Positioned within an established industrial corridor with convenient truck access. Ottawa is served by BNSF Railway and CSX Transportation, with access to barge transportation via the Illinois Waterway. Approximately 65 miles from O'Hare International Airport.
