DESERT HOT SPRINGS DOWNTOWN COMMERCIAL DISTRICT

11940 Palm Dr, Desert Hot Springs, CA is located in the heart of the Downtown Desert Hot Springs Commercial District at the prime corner of Palm Dr and Pierson Blvd. This is one of the city's most visible intersections, offering steady daily traffic, strong signage exposure, and easy access from all directions. Palm Dr is the main north-south business corridor, while Pierson Blvd connects the city east to west. The corner location makes the property ideal for retail, office, or service uses that depend on visibility and convenience.

The building is enhanced by a large, city-commissioned mural by artist TRAV, making it a recognizable downtown landmark and adding character and built-in branding. Desert Hot Springs continues to invest in public art, downtown events, and streetscape improvements, which are increasing foot traffic and activity along Palm Dr. With new housing, reinvestment, and growing local businesses nearby, this property sits at the center of a downtown area that is gaining momentum and long-term appeal.
