1330 Broadway

1330

1330 Broadway is a Class A office building located in the center of Downtown Oakland's business district. The tower was built in 1960 in the "International Style" of architecture. 1330 Broadway's modern design and efficient floor plates set it apart within the Bay Area's office market. The building recently underwent a full building renovation. It offers a new lobby, state-of-the-art building systems, generous amenities, onsite parking, and a central location steps from the 12th Street BART Station. 1330 Broadway is an ideal location for the modern needs of companies and their employees.

Building Features

SIGNAGE OPPORTUNITY

Maximize your space with the highly efficient side-core design, allowing for more usable square feet in your workspace.

EFFICIENT SIDE CORE DESIGN
