

# 120 EAST 10TH ST NEW YORK, NY

OFFERING MEMORANDUM

120 East 10th Street

New York ,NY

Asking Price

\$5,475,000

An excellent investment opportunity — a six-story, sun-filled townhouse featuring a private garden, common rooftop, and a prime location between 2nd and 3rd Avenues. The building offers approximately 3,800 SF across four residential units, along with a laundry room and storage room. Delivered with a clean title, no violations, and a four-family Certificate of Occupancy, qualifying the property for attractive residential loan programs and favorable financing rates. Approved architectural plans and active permits are in place for a potential value-add upgrade.

## Market Overview - East Village

---

The East Village remains one of Manhattan's most supply-constrained and resilient submarkets. Defined by its classic pre-war walk-up inventory, authentic character, and proximity to NYU and Lower Manhattan employment centers, the neighborhood consistently attracts strong tenant demand, particularly from young professionals and students.

Limited new development opportunities and strict zoning preserve the existing housing stock, creating upward pressure on both rental rates and asset values. Historically, the East Village has demonstrated consistent rent growth, low vacancy rates, and strong liquidity for stabilized assets, making it a highly attractive submarket for long-term investment and value appreciation.

A photograph of a wooden shelf against a wall with a repeating pattern of grey and white rounded rectangles. On the shelf, from left to right, are a Crosley record player with a black vinyl record, a clear glass bottle of amber liquid, a cut-crystal glass, and a large green Monstera plant. Below the shelf, a silver Pentax SLR camera is visible on the left, and a small white arch-shaped object with a teal base is on the right. The text 'CURRENT CONDITIONS' is overlaid in white, sans-serif font on the left side of the image.

A modern interior scene featuring a bright yellow armchair with a wooden frame. To the left of the chair is a low, round wooden coffee table holding a small potted plant, a cup of coffee, and some books. In the background, a large, dark blue, angular sculpture is mounted on a wall. The room has a minimalist aesthetic with geometric shapes and a warm color palette.
