Two parcels totaling 100' x 110' with BP (Business Professional) zoning ideal for multifamily or mixed-use development. Permitted uses include multifamily dwellings, upper-story residential over commercial, medical/dental offices, daycares, professional offices, restaurants (no drive-thru), personal services, hotels/motels, private or public schools, vocational training, and more. Zoning also allows for communication towers, community gardens, parks, and places of worship. Flexible development options in a growing area with excellent accessibility make this a great investment opportunity for residential, commercial, or institutional use.

## *Disclaimer*

The permitted and special use zoning sheets are being provided for informational purposes only. They are a means to assist residents, current and prospective property owners, and the business community with identifying permitted and special uses allowed in zoning districts located within the boundaries of The City of Daytona Beach. The sheets also provide references to general use standards for uses in each zoning district. For official use determination requests on properties in the city, please contact The City's Planning Department to request a zoning verification letter.

\*Additional regulations may apply to properties in Redevelopment and Overlay zoning districts.
