Positioned just off Burbank Blvd and Cahuenga Blvd, this property benefits from high visibility and accessibility, with over 50,000 combined vehicles passing by daily. The offering consists of a 1,975-square-foot building and 2,875 square feet of land, making it an ideal choice for businesses in the digital entertainment sector.

This fully turnkey space is perfectly suited for Digital Broadcast Networks, Entertainment Studios, Podcasters, and any other digital media ventures. For video podcasters, this custom design enables a network to do what no other podcast can: to produce, in house, over 150 hours of programming per week! Property features four individual studios and sets, a green screen room/stage, an editing suite, kitchen, laundry, two bathrooms, a gaming studio trailer and a private, secure outdoor bar and event space. Each area is uniquely designed and equipped with the latest in professional-grade technology, including multiple 4K Black Magic cameras, sound-absorbing acoustic panels, and flexible lighting infrastructure, ensuring versatility for a wide array of production needs.

With state-of-the-art infrastructure in place, this property provides a seamless transition for businesses looking to establish or expand their digital presence. Whether you are producing high-quality broadcast content, launching a podcast, or managing a multimedia production studio, this facility is equipped to meet the demands of today's rapidly evolving entertainment industry.

The property is zoned C2 Commercial, offering flexibility for a wide range of potential uses. For more details on zoning or potential opportunities, please contact the listing agent. The property will be delivered vacant, allowing new ownership the flexibility to reposition the space to suit their needs or occupy it immediately. Located in North Hollywood's vibrant arts district, this property benefits from a dynamic blend of entertainment, dining, and residential areas, contributing to a highly sought-after location. The area boasts an above-average household income of \$113,702 and a population of over 524,000 people within a 5-mile radius, further enhancing its appeal as a prime business location.

Don't miss out on this unique opportunity to secure a premier space in one of the most thriving entertainment hubs in Los Angeles.

Los Angeles is the entertainment capital of the world, as well as a leading international trade and manufacturing center.

PROMINENT PORT ACTIVITY

The Port of Los Angeles and the Port of Long Beach are the largest and busiest ports in the nation, making the metro a key link in the international supply chain.

JOB AND POPULATION GROWTH

A desirable climate, proximity to the ocean and recreational opportunities lure companies and residents to the metro.

- A sizable aerospace presence exists in the South Bay, led by employers that include Boeing, Northrop Grumman, Raytheon Technologies Corp. and SpaceX.
- Employers across a variety of industries employed approximately 4.565 million individuals at the onset of 2024, a record count.
- The metro's two ports make the area a hub in the domestic supply chain, fueling demand for warehouse and distribution space throughout the county.
