THE POWER OF PLACE

# QUIET LUXURY SPEAKS VOLUMES

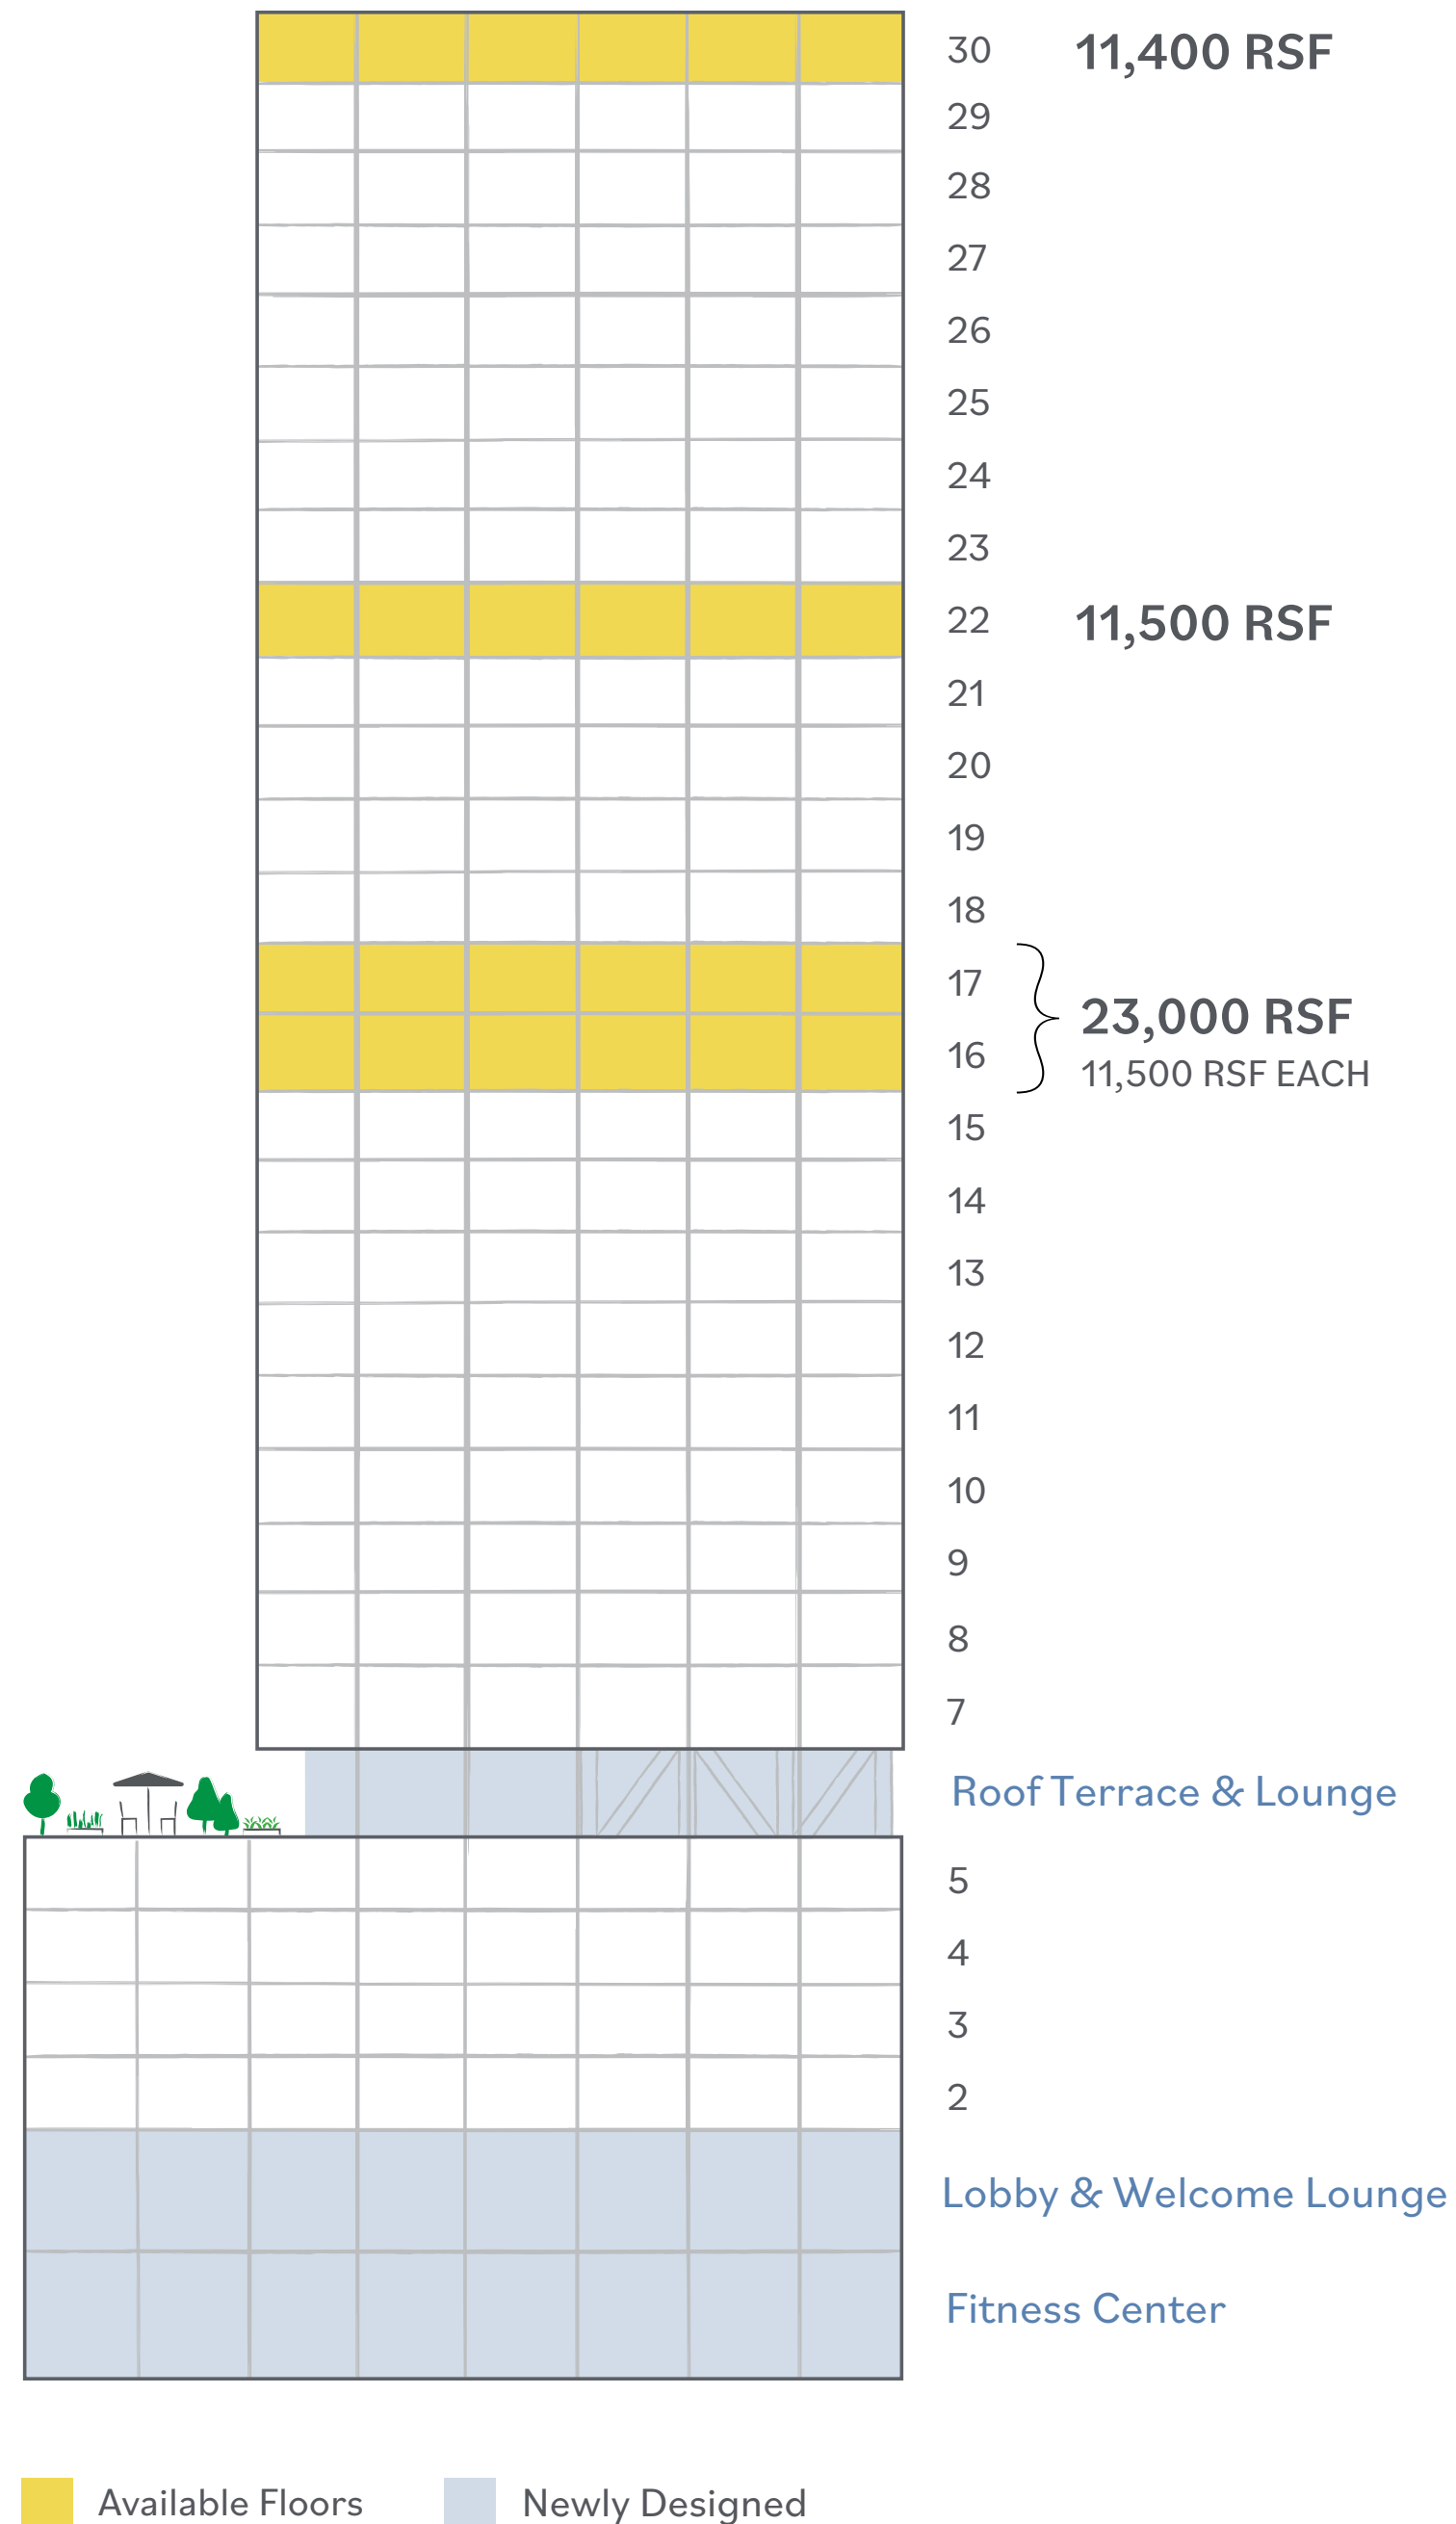

---

510 Madison embodies a rare class of Manhattan workplace – a coveted address in the heart of the Plaza District.

A boutique tower with enormous presence on one of Midtown’s most coveted streets, it is an ideal representation of the Tower on a Plaza architectural style with its roof-terraced six-story base crowned by a 25-story tower.

A major capital program encompassing the building lobby, terrace, café, lounge, and conferencing is currently underway.

# CURRENT AVAILABILITY

Individual requirements are satisfied by flexible  
single and multi-floor tower availabilities

- Column-free
- 13'6" slab heights
- Floor-to-ceiling windows
- 10' finished ceilings
- Floor-by-floor DX units

# THOUGHTFUL DESIGN FOR TOMORROW'S WORKPLACE

Work has a new meaning, and 510 Madison is redefining what it means to “go to the office.” Thoughtfully curated and impeccably designed indoor and outdoor spaces offer ample opportunity for collaboration or individual concentration.

The crowning touch – attentive, first class management backed by solid, stable ownership, making for a hospitable, assured experience.

# ARRIVAL

Elegance begins at the entrance door. Hospitality and business reign in equal measure. Soothing tones, luxurious materials, and bespoke artwork welcome all who enter.

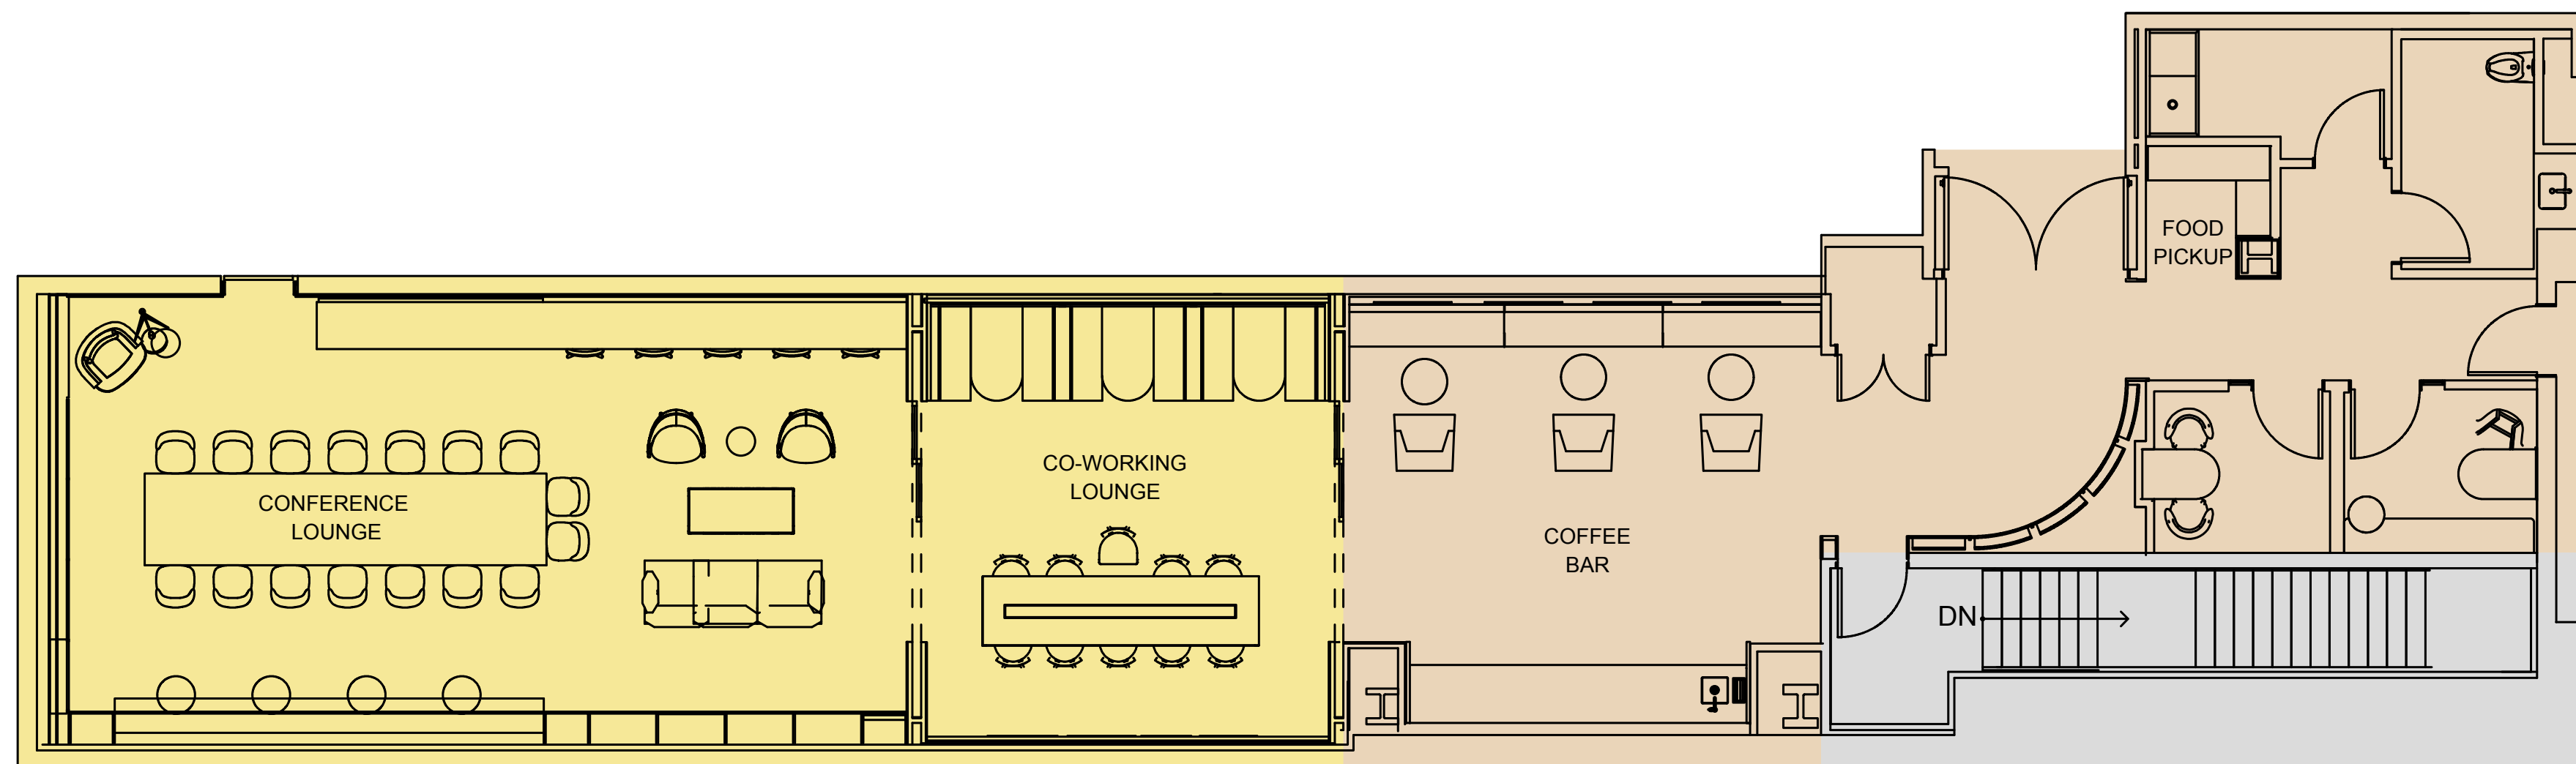

# WELCOME LOUNGE

Warm and modern furnishings ensure comfort and ignite productivity. Comfortable communal seating, small group conferencing, and individual areas each cater to every need.

WELCOME LOUNGE

# TERRACE LOUNGE

A living room atmosphere infuses this sixth-floor lounge providing additional space for collaboration or solitude – indoors or on the adjoining roof terrace.

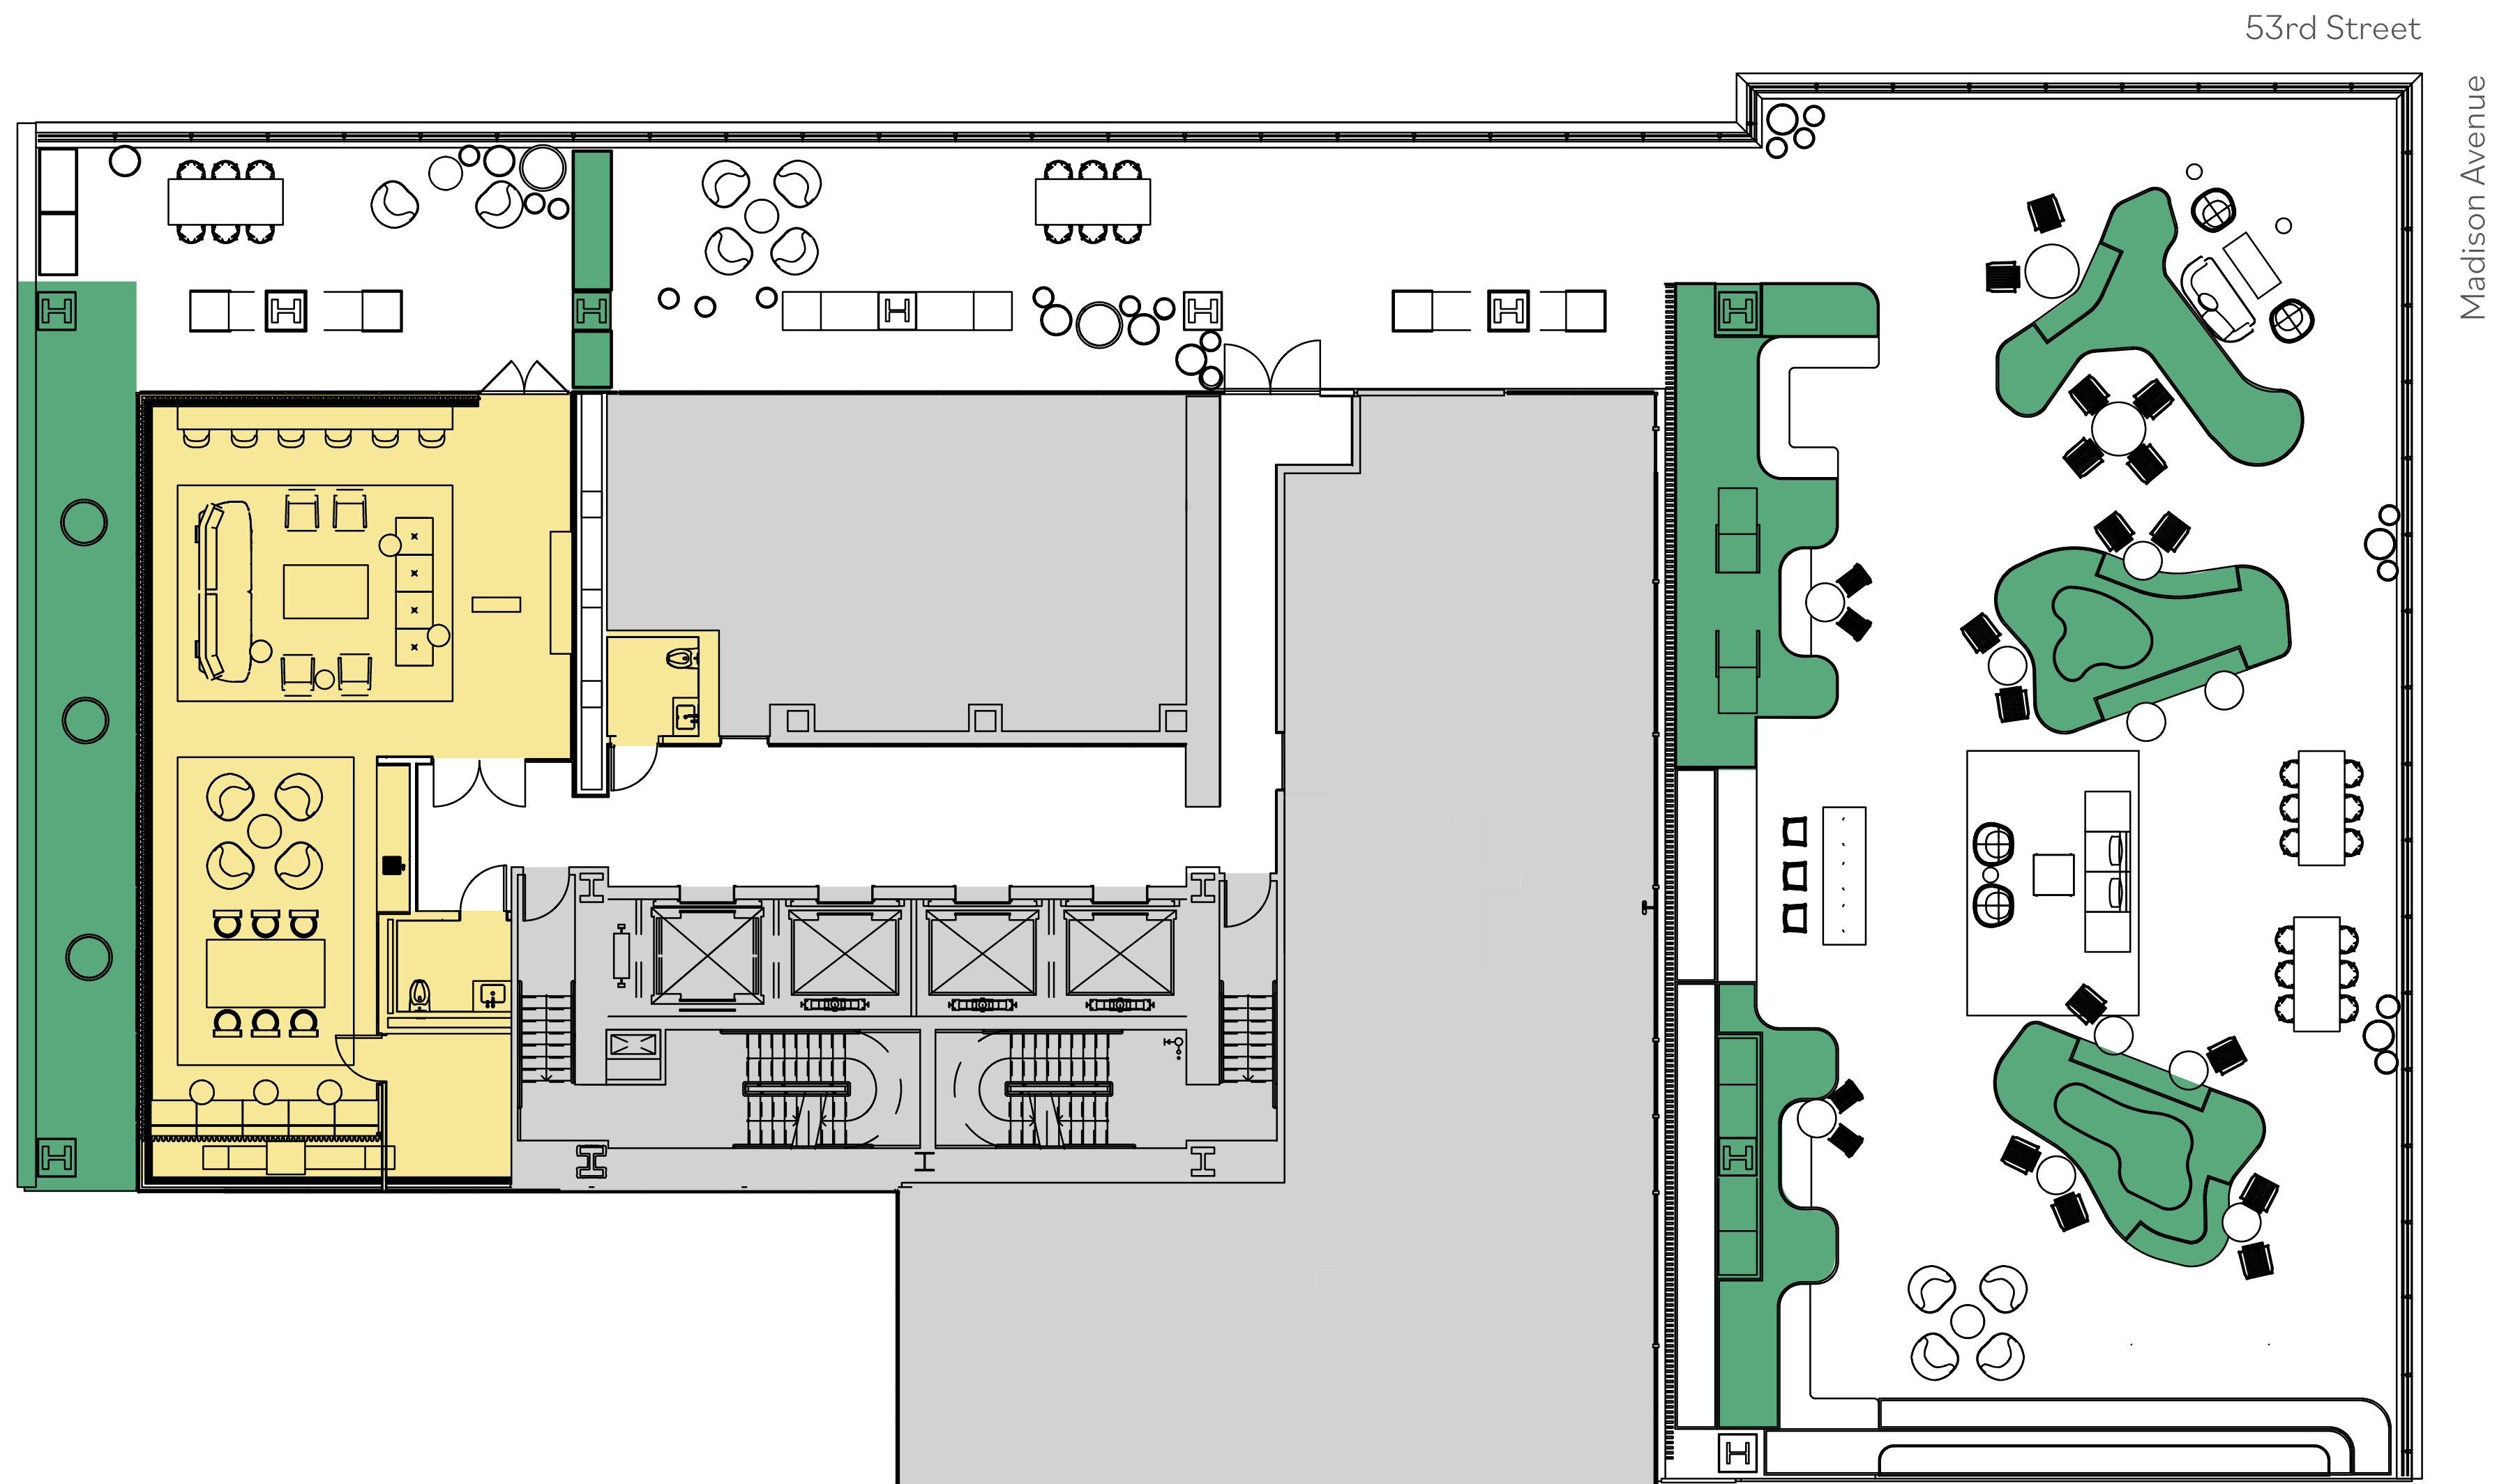

Sweeping Midtown vistas are complemented by a commanding architectural truss providing additional inspiration or simply a mid-day respite. Lushly planted and newly reimagined with plenty of space to host a catered event with a bar set up.
