WHY? SAVANNAH

OVERVIEW

Savannah, GA, is one of the fastest-growing logistics and industrial markets in the Southeast. With the nation's fourth-busiest container port, rapid residential expansion, and strong infrastructure, Savannah has become a hub for global trade and corporate investment. The city offers a blend of historic charm, business-friendly policies, and unmatched access to markets through port, rail, highway, and air.

HOME OF THE HISTORICAL CHARM

Savannah is celebrated for its vibrant culture and historic charm, drawing millions each year to its cobblestone streets, shaded squares, and lively waterfront. The city hosts one of the largest St. Patrick's Day parades in the world, alongside nationally recognized music and film festivals, making it a cultural destination as much as a business hub. Blending coastal beauty with a thriving creative community, Savannah offers an energy and appeal that few Southern cities can match.

A WELL CONNECTED CITY

Interstate Access: Direct connections via I-16 and I-95 to Atlanta, Jacksonville, Charleston, and beyond.

The Port of Savannah is the largest single-terminal container port in North America and the fastest-growing in the U.S., handling nearly 6 million TEUs annually.

The airport supports both passenger travel and cargo operations. Daily flights connect to major business centers including Atlanta, Charlotte, Dallas, Houston, and Washington, D.C.

RESIDENTIAL & POPULATION GROWTH

Chatham County and the surrounding counties (Bryan, Effingham, Liberty) are experiencing some of the fastest population growth in the Southeast. Much of this growth is concentrated along Benton Boulevard, Pooler, and Godley Station, where large-scale master-planned communities continue to deliver new homes.

Population Surge: The Savannah MSA is projected to add 27,000+ new residents over the next five years, a pace that continues to exceed state and national averages.

EDUCATION & TALENT

Savannah is home to Savannah College of Art & Design (SCAD), a global leader in creative industries, and Georgia Southern University's Armstrong Campus.
