- (a) Sales of target housing at foreclosure.
- (b) Leases of target housing that have been found to be lead-based paint free by an inspector certified under the Federal certification program or under a federally accredited State or tribal certification program. Until a Federal certification program or federally accredited State certification program is in place within the State, inspectors shall be considered qualified to conduct an inspection for this purpose if they have received certification under any existing State or tribal inspector certification program. The lessor has the option of using the results of additional test(s) by a certified inspector to confirm or refute a prior finding.

Disclosure MUST, therefore, be made when renewing leases which were in place prior to December 6, 1996, for owners of one to four residential dwellings and September 6, 1996, for owners of more than four residential dwellings.

**NOTICE TO BUYERS AND SELLERS REGARDING  
WIRE FRAUD AND SUSPICIOUS COMMUNICATIONS**

As it relates to property address: 4538 Iazard Street, Omaha, NE 68132

Please be aware that the Escrow Company under the attached Agreement may require a wire transfer of funds at Closing. Buyer and Seller should take care to provide wire transfer information only to a proper agent of the Escrow Company. Funds should only be wired to the Escrow Company using account information provided by verified agents of the Escrow Company.

Recently, criminals have been found attempting to impersonate escrow companies and real estate agents in wire fraud schemes. Unauthorized individuals have been caught providing fraudulent wire transfer information to parties in real estate transactions. This could include a criminal contacting Buyer or Seller, directly or indirectly, in an attempt to steal funds that rightfully belong to the parties.

In the event that any party believes an unauthorized request has been made for bank account information or funds, the Escrow Company should be contacted immediately. The requests should be verified immediately in person or by telephone using a telephone number that is known to be valid. Parties should be especially skeptical of last minute changes or requests coming from unknown representatives.

In the event that funds are transferred to a fraudulent account, there may be no way to recover these funds from the criminals involved. For this reason, it is extremely important that the Buyer and Seller are vigilant and only provide wire transfer information to proper representatives of the Escrow Company. Please contact the Escrow Company directly if you have any questions.
