STADIUM SQUARE

A **\$250 million redevelopment** of a previously overlooked parcel of land, just a couple blocks from the Union Brothers property. When complete, the project will account for 700 apartments, over 2,000 parking spaces, 302,000 sq. ft. of new office space, and 80,000 sq. ft. of retail.

PORT COVINGTON

One of the largest urban renewal projects in America is underway just a short drive south from Union Brothers. The transformational redevelopment of Port Covington will have a fundamental and far-reaching positive impact on Baltimore. The master plan for the development is over 20 years, though key pieces of it are currently completed or near completion:

- The City Garage Incubator and Maker Space
- Sagamore Distillery & Restaurant Destination
- Under Armour Campus & Global Headquarters

A HISTORIC HUB FOR SUCCESS

THE UNION BROS. FURNITURE BUILDING is a 2 and 3 story brick factory building constructed in three distinct sections between 1923 and 1955. It was originally built to house the Union Bros. Furniture Company, a local enterprise whose rapid growth paralleled Baltimore's own growth as a center of manufacturing. Historically, the building has always been used as a mixed-use warehouse and retail hub - a tradition being revived today.
