1010-1016 East Main St, Columbus, OH 43205

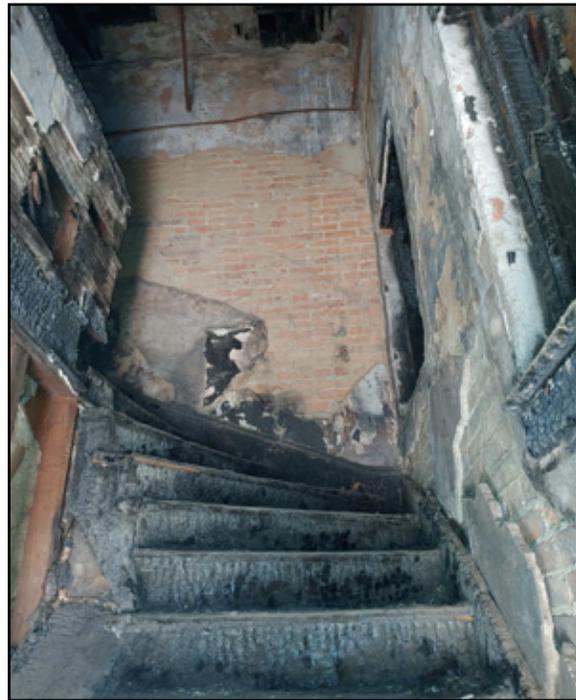

MIXED-USE REDEVELOPMENT OPPORTUNITY IN THE HEART OF OLDE TOWNE EAST

This solid brick building is offered in shell condition and requires a complete interior redevelopment, presenting a compelling opportunity for adaptive reuse. The property includes two first-floor retail spaces, a rear first-floor apartment, four second-floor apartments, and a large rear lot suitable for parking or future expansion. Constructed on a stone foundation, the building features a large basement beneath the east-side retail space and retains original mosaic tile on the west side, adding architectural character. Recent capital improvements include a new roof, gutters, and soffits. Located near new residential developments along Main and Cherry Streets and within one mile of Nationwide Children's Hospital, which is undergoing a \$1 Billion expansion, and Grant Medical Center, which is in the midst of a \$400 million expansion, the property sits in a rapidly reinvesting corridor anchored by major institutional investment. Eligible for tax abatement through the City of Columbus, this offering presents strong long-term investment potential in an emerging urban market.
