WORK + STYLE = WORKSTYLE

At Perimeter Park we've coined a new term...workstyle. It's where work and style come together and defines what makes this a special place to operate your business. With a pocket-park and over 7 miles of walking trails, you can stretch your legs, play, and take in a breath of fresh air. Our two convenient on-site fitness centers allow you to easily fit in that daily workout, and our expansive on-site tenant café and lounge is a perfect spot for a working lunch or quick coffee break. Dining, retail, hotels, and services are on-site or a short drive away.

Perimeter Park also brings the Triangle to you, bringing tenants together with curated event programing, Food Truck Tuesdays, group fitness, and fundraisers benefiting local charities.

The tenant café & lounge is a great place to plug in with free Wi-Fi, chat with co-workers, or meet with clients. This space is a comfortable and convenient spot to wind down or reenergize with fresh salad or a cup of Larry's Coffee.
