# Property Overview

Pinnacle Realty of New York, LLC is pleased to announce it has been appointed exclusive leasing agent for 30-35 Thomson Avenue, a premier industrial/distribution facility located in the heart of Long Island City, NY.

This well-positioned 52,343-square-foot property offers exceptional convenience, flexibility, and access, making it an outstanding choice for logistics, e-commerce, commercial and industrial users. Situated just one block from the 59th Street / Queensboro Bridge entrance ramp, the site provides immediate access to Manhattan, the Long Island Expressway (I-495), and all five boroughs, as well as the greater Tri-state area. Its prime location is further supported by public transportation options, with the 7 train only three blocks away, and the E, M, and R trains just five blocks from the site.

The building has over 300 feet of frontage on Thomson Avenue, delivering exceptional visibility and ease of access. Inside, the property features six interior loading docks capable of accommodating large tractor-trailers. These docks also offer the flexibility to be repurposed for indoor parking or staging areas depending on operational needs.

A rare on-site 6,000-square-foot private parking lot enhances the property's versatility with the potential to add a new additional large exterior loading platform designed to accommodate multiple large trucks simultaneously or to be kept as exterior parking.

The layout of the facility can be configured into multiple divisions to support either single or multi-tenant occupancy, accommodating users with varying size, space and operational requirements.
