ROADSIDE RETAIL OPPORTUNITY

PROPERTY INFORMATION

A rare opportunity to secure a highly visible roadside retail location along Old Sonoma Highway in Napa County. The Wright Corner offers approved commercial retail and tasting uses within a commercially zoned 2.35-acre parcel surrounded by Agricultural Watershed land.

With approximately 6,000 cars per day traveling past, the property benefits from steady daily traffic and strong visibility between Napa and Sonoma Valley corridors.

The site includes two existing commercial buildings totaling approximately 3,364+/- SF, with approved retail, wine and beer sales, and ancillary tasting uses. Outdoor patio and garden areas provide additional flexibility for display, seating, and customer engagement.

The property is approved for limited annual marketing events and operates under clearly defined Napa County use parameters — offering entitlement clarity in a highly regulated market.

This is an ideal opportunity for a boutique retailer, specialty food and beverage operator, wine/beer concept, bakery, or destination-oriented roadside business seeking Napa Valley presence without the constraints of downtown positioning.
