Location Overview

Alachua, Florida

North of Gainesville, among fields of wildflowers and piney woods is the town of **Alachua, Florida**. It's a place rarely found this day and age right down to a Main Street that looks like exactly how **small-town America** should with small, family-owned shops and restaurants. It's a healthy dose of nostalgia and Old South charm for sure, but that's not all. While a far cry from Silicon Valley, there are a number of **high-tech and manufacturing companies** that call Alachua home. Not bad for a town whose name is taking from an Timucua word meaning "sinkhole."

Trade Area

Proximity to Downtown

Located just minutes from downtown Alachua, indulge in the vibrant energy of the city center, bustling with opportunities for networking and leisure.

Tech Hub Access

Enjoy close proximity to Progress Park and San Felasco Tech City, hubs of innovation and entrepreneurship, fostering a dynamic ecosystem for collaboration and growth.

Convenient Connectivity

With I-75 a mere 2 miles away and Gainesville just 9 miles down the road, commuting becomes effortless, allowing you to stay connected to key markets and resources.

Progress District | Existing Business Parks

Progress Park

Progress Park is an impressive setting for many bioscience and other related companies attracted to the vitality of the area. This 20-AC private corporate park boasts 1,100 employees making it the largest cluster of biotech companies in the state of Florida.

Foundation Park

Foundation Park is a master-planned development with the potential of 180,000 SF of specialized office and laboratory space. This park has implemented University of Florida Foundation’s vision for a regionally integral life sciences business park.

San Felasco Tech City

San Felasco Tech City is an innovative 82-AC mixed-use development site serving start-ups, biomedical, research, labs, offices, retail, industrial and light manufacturing companies based on a “live, work, play” concept.

Copeland Park

Copeland Park is designed for spaces in between incubator and commercial spaces. The project consists of a total master plan of approximately 355,000 SF. The park’s current companies are Lacerta Therapeutics, Resilience (formerly Ology Bioservices), Synquest Laboratories, Metalloy Industries, Amend Surgical and Acousti Engineering Company of Florida.

Progress District | Planned Developments

Convergence Park

Convergence Park is a mixed-use 550-acre development that will enable more community members who work in Alachua’s growing biotech and life science industries to live and enjoy recreational activities without the need for a long commute.

Hammock Park

Hammock Park will be a physical and cultural bridge that brings components of ecotourism through a luxury RV resort that allows tenants to camp next to San Felasco State Park while maintaining compatibility with research and equestrian centers.

Ravine Park

Ravine Park will have frontage on Highway 441, making it a prime location within the Progress District for traditional retail and residential, as well as R&D Manufacturing.
