Overview

# PROPERTY SUMMARY

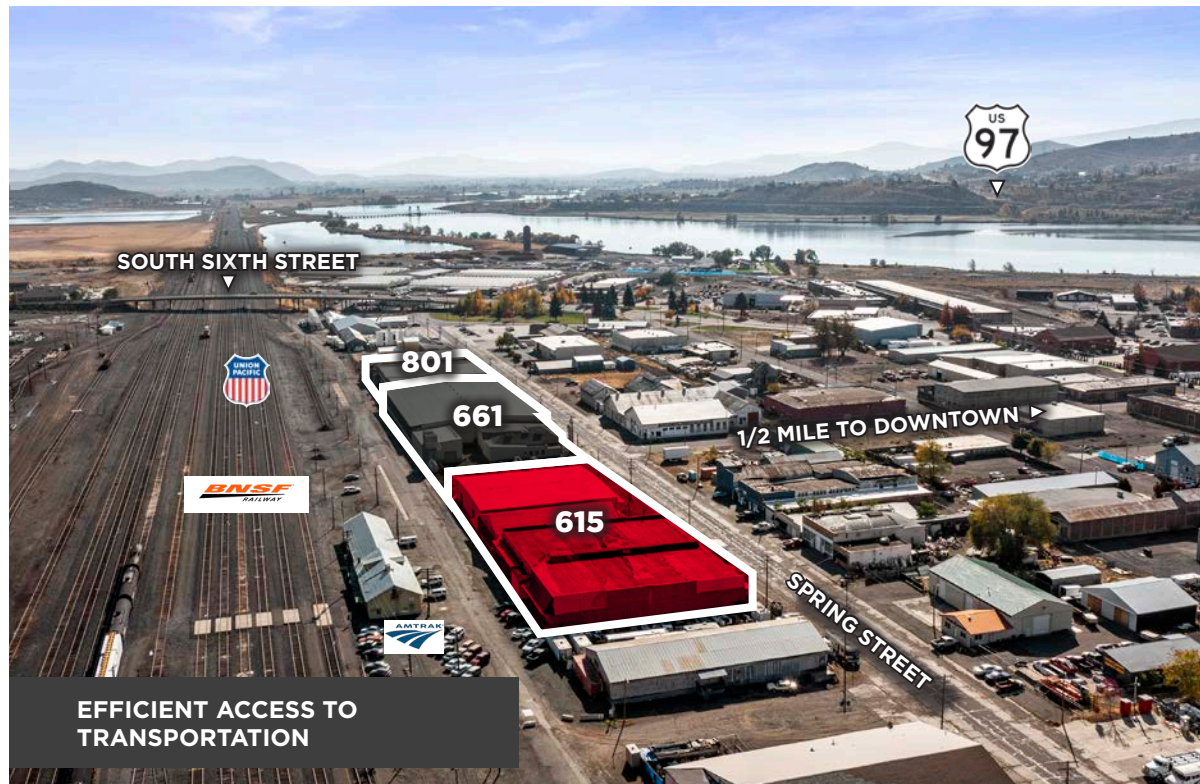

Unique market opportunity to acquire three adjacent warehouse facilities in Southern Oregon. These buildings have separate loading docks and entrances but are on shared utilities. Extra thick insulated walls keep all buildings at nearly the same temperature year-round.

**Building 5** is 13,200 sf; while it is sprinklered, it does not have other existing water or heat.

**Building 6** is 9,700 sf with 2- 200 amp service panels.

**Building 7** is 19,500 sf and has the ability to be used as a refrigeration space (would need additional equipment).

Adjacent cold storage facility next door could also be packaged with these warehouses (information available separately but briefly: four adjacent cooler/freezer spaces totaling 52,200 sf plus additional 9,100 sf of office and shop space).

# LOCATED IN AN OPPORTUNITY ZONE

In 2018, the U.S. Treasury made opportunity zone designations across the country to encourage long-term investments through a federal tax incentive. Governor Brown's nomination resulted in 86 qualified opportunity zones in Oregon.
