The SVN Difference

The SVN® Brand was founded in 1987 out of a desire to improve the commercial real estate industry for all stakeholders through cooperation and organized competition. Nearly four decades later, that unique approach remains our key differentiator.

SVN was built on the belief that proactively cooperating and collaborating with the entire commercial real estate community is the right thing to do for our clients - and the **best way to ensure maximum value** for a property. When a client chooses SVN, they mobilize the entire SVN organization and its **trusted network of relationships** to act on their behalf.

We **share data, knowledge, and opportunities** across the brokerage community through our Shared Value Network®, giving our offices and Advisors **access to more deals, greater visibility, and unmatched earning potential**.

SVN is proud to be the only Employee-Owned Public Benefit Corporation in commercial real estate. Our mission is to **drive strong business performance** while making a **positive, lasting impact** - for our clients, our colleagues, our communities, and the industry as a whole.

This belief in a Shared Value Network® is what forms the foundation of the SVN Difference.
