

# Village East

Positioned in the heart of Marietta's affluent eastern corridor near Johnson Ferry Road, Village East serves one of Metro Atlanta's most desirable residential markets with strong household incomes, educated demographics, and loyal consumer spending patterns. With over 50,000 vehicles passing daily, this location delivers the visibility and customer access that drives retail success in one of East Cobb's most desirable commercial corridors.

**Superior Access & Visibility** Village East captures traffic from both eastbound and westbound lanes on Roswell Road, offering convenient customer access through a dedicated curb cut and a signalized intersection at Robinson Road NE. This dual-access configuration ensures maximum convenience for customers while providing prominent visibility from multiple approach angles on this heavily traveled corridor.

**Available:** 2,000 SF (Divisible) | High-Traffic GA-120 Location | 50,000+ VPD | Signalized Access

**High-Visibility Retail Opportunity in East Cobb's Premier Corridor** Exceptional exposure and accessibility define Village East, a strategically positioned retail center on GA-120 (Roswell Road) in Marietta, located less than one mile from the high-traffic intersection of GA-120 and Johnson Ferry Road.
