

218 South F Street – Lake Worth Beach, FL

Property Overview

Located in the vibrant **Artisan Industrial District** of Lake Worth Beach, this 3,210 sq. ft. mixed-use property offers the perfect blend of residential income and industrial functionality. The lower level features approximately 1,850 sq. ft. of **A-1 Industrial-zoned space** — fully outfitted as a **commissary kitchen** with stainless steel prep areas, 8x10 walk-in cooler, porcelain wall tile, and 3-phase power. The upper level includes two updated rental apartments, both equipped with new air-conditioning units.

Recent upgrades:

- Fresh exterior paint
- Solar system helps offsets electrical usage
- Drive-in bay with roll-up doors
- New AC units for both apartments
- Off-street parking
- Strategically located in the Artisan Industrial District, close to downtown and I-95
