### ISO 9001 COMPLIANT

Although we are not certified, we comply with the requirements of ISO 9001. We have a Quality Control Manual, Welding Manual and a Controlled Inventory Program. We are audited by a Fortune 500 company which rates us on our quality product, quality process and "on time shipping" performance along with other areas.

## Values

Quality ~ Value ~ Satisfaction ~ Loyalty

Furry, Inc. is family owned, operated and in its second generation of experienced service leadership.

We are committed to provide our customers with top quality fabricated metal products at competitive prices and we pride ourselves on satisfying and retaining our customers.

## History

Furry, Inc. "The Machine Shop", started in 1962 in the basement of a house on Harmon Street in Danville, Illinois. In 1968, we decided to increase our services and build at our present location on East Voorhees Street. We are proud to say that over the years, hard work and customer loyalty has required us to expand our building to its current size of 55,000 square feet.

## Experience

Furry, Inc. is a full service Machine Shop with a trustworthy reputation and over 50 years of customer satisfaction.

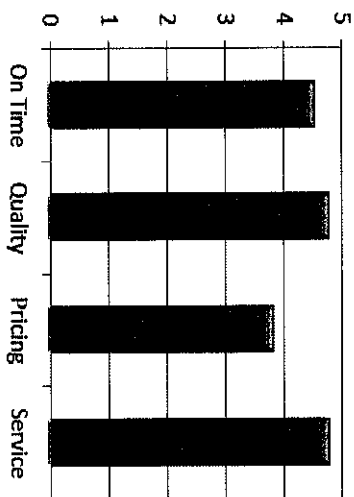

There is no substitute for experience and knowledge. Our staff has an impressive depth of experience, knowledge, technical

skills and dedication. From start to finish, we utilize the most cost-effective approach to fabricate your product in accordance to your specifications.

Our goal at Furry, Inc. is to sustain an environment that provides opportunities for our family and friends while continuing to be a staple in our community by stressing superior quality and reliable service for our customers.

### **Performance**

Ratings are: 0 = Poor 3 = Average 5 = High
