PROPERTY OVERVIEW

±41,964 SF flex industrial facility located at 7400 Plaza Mayor in southeast Oklahoma City near the former Crossroads Mall redevelopment with excellent access to Interstate 240 and connectivity to I-35, I-40, and I-44. The building includes ±31,964 SF on the first floor and ±10,000 SF on the second floor with a functional mix of office and warehouse/production space. Zoned I-2 Moderate Industrial, the property supports a wide range of industrial and commercial uses. Features include 13' clear warehouse heights, covered and lit dock-high loading platform with 8' x 10' powered lift overhead door, and heavy power exceeding 1,000 amps (120/208V, 277/480V, 3-phase). Additional improvements include full climate control, fire sprinkler system, high-efficiency fluorescent lighting, elevator, backup generator, and security system with cameras and controlled key access. Located within an established industrial corridor offering strong labor access and interstate visibility, the property is well suited for owner-users, investors, or tenants seeking functional flex space.
