## Location

---

- Olathe KS is one of the fastest growing suburbs in all of Kansas City
- Great school district with top rated local and state schools
- Amazing downtown Olathe location next to new constructed class A multifamily, revamped and overhauled City Hall and so much more.
- Tenants can walk to work, shops, food, bars, and so much more - a growing and thriving community in Johnson County
- Class A Sub Market of Kansas City - the highest in demand county in the metro which continues to appreciate in value while rents continue to climb

## Why I love this deal

---

- Near turn-key with great in place rents with room to grow
- Multiple exit strategies - sell off one parcel and keep the other or sell off both over time
- Location - Johnson County is the most desirable county in the KC Metro to buy; this will appreciate in value
- Still meat on the bone with ability to add value to select units as units turn
- Improve operational inefficiencies to increase cash flow and stabilize profit and loss statement
