# **EXECUTIVE** SUMMARY

### **EXECUTIVE** SUMMARY

THE GARSKE GROUP OF MARCUS & MILLICHAP HAS BEEN EXCLUSIVELY CHOSEN TO MARKET THE SANTIAM COMMERCIAL DEVELOPMENT, an exceptional investment opportunity located at 3225 Santiam Hwy SE, Albany, OR. This property spans two parcels totaling 1.75 acres and is situated in a Community Commercial (CC) zoning district, which allows for a variety of small to medium-sized businesses. The site benefits from its strategic location directly off I-5, providing high visibility and easy accessibility for both local and regional traffic. With over 19,5000 vehicles per day (VPD) on Santiam Hwy and approximately 53,200 VPD on I-5, this area is poised for significant commercial activity. The property features ample parking and a dedicated turn lane, enhancing its attractiveness for potential tenants and customers.

With the CC zoning designation, the Santiam Commercial Development is well-positioned to accommodate diverse business types, including retail establishments, personal services, restaurants, and office spaces. This zoning framework emphasizes compatibility with surrounding residential areas while promoting a cohesive community image through design guidelines and landscaping requirements. The location is ideally suited for businesses that primarily serve the local population within a half-mile radius, ensuring a steady customer base. Given Albany's ongoing efforts to revitalize its commercial sectors and the site's advantageous traffic counts, the Santiam Commercial Development represents a compelling investment opportunity in a growing market.

## **COMMUNITY COMMERCIAL** ZONING

#### **ZONING CHARACTERISTICS**

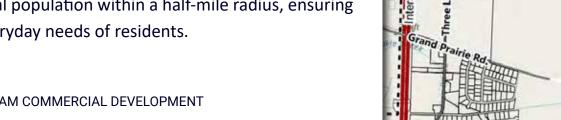

**Community Commercial (CC) zoning** in Albany is designed to support a diverse range of businesses that enhance the community's character while ensuring compatibility with surrounding residential areas. Key characteristics of the CC zoning include:

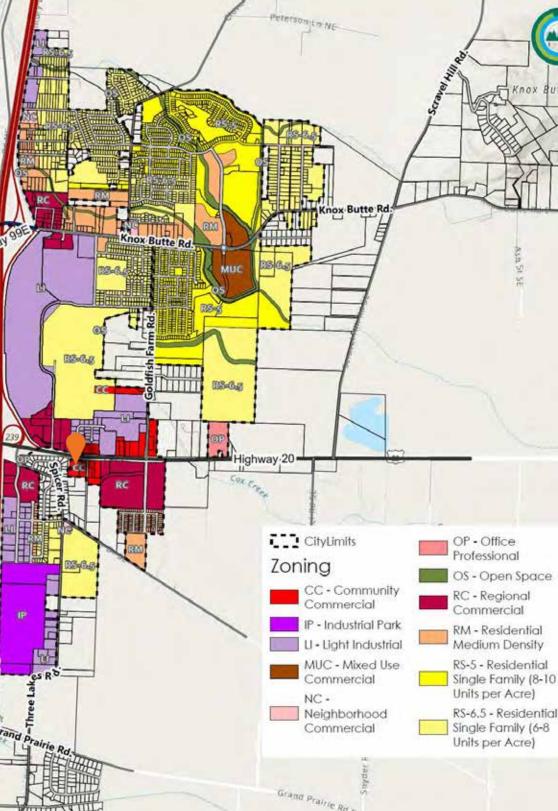

**DESIGN GUIDELINES:** The CC district employs specific design guidelines intended to create a cohesive community image. This includes regulations on building location and front-yard landscaping, which are essential for promoting a pedestrian-friendly environment.

**BUFFERS:** To mitigate potential impacts on nearby residential neighborhoods, CC zoning mandates the use of sound and visual buffers. These measures ensure that commercial activities do not disrupt the quality of life for residents.

**BUSINESS FIT:** Businesses operating within the CC zone are expected to align with the residential development pattern. This alignment helps prevent conflicts related to land use, architectural style, and traffic flow.

**PRIMARY MARKET AREA:** The businesses within this zoning district primarily serve the local population within a half-mile radius, ensuring that they meet the everyday needs of residents.

## **DEVELOPMENT** POTENTIAL

The **Santiam Commercial Development** presents an exceptional opportunity for investors and developers looking to capitalize on the growing demand for commercial spaces in a vibrant community. With its favorable CC zoning regulations, strategic location on Santiam Hwy, and alignment with community needs, this site is poised for successful development.
