GIS Map Disclaimer:

Coweta County's GIS data are primarily for the support of its internal business functions and the public services it provides. The GIS data are for reference and planning purposes only and may not be suitable for other purposes or uses. It is the user's responsibility to verify any of the data, and from the GIS, before making any decisions or taking any actions based on the information. While every effort has been made to ensure that these data are accurate and reliable, with in the limits of GIS, Coweta County is not liable for any errors in the data. This includes, but is not limited to, errors of omission, commission, errors associated with control of the data, and relative and positional accuracy of the data. Each datum may have been collected at different scales, times or definitions, resulting in inconsistencies among the features represented together on the maps. Coweta does not assume any liability for any damages caused by any inaccuracies in the data, and does not warrant the fitness of the data for any particular purpose. Coweta County does not warranty, expressed or implied, nor does it assume any liability as to the data's distribution or use in any way.
