We are located in a newly renovated Class A building at 1700 Market Street. Directly across the street from Suburban Station and only 2 blocks away from Rittenhouse Square, and City Hall.

Our main lobby is also newly renovated with a sophisticated 24/7 security team. This floor includes 2 restaurants, Wells Fargo Bank with ATMS, and a pharmacy. The building also offers daycare, barber shop, and florist.

The reception area in our suite is furnished with Herman Miller Furniture. Our receptionists provide administrative services who handle office interactions with outside visitors. This includes greeting and directing guests, answering phone calls, and handling requests in a very professional manner. Our office provides high speed dedicated fiber optic internet and WIFI.
