# BOOMING POPULATION GROWTH

Located on the  
border of Hillsborough  
& Manatee Counties

---

Manatee County population has increased 18% over the last 5 years, which is significantly higher than the national average.

Home to Lakewood Ranch, one of the fastest growing master-planned communities in the country.

Palmetto offers immediate proximity to a high-density cluster of Fortune 500 distribution powerhouses including Amazon, FedEx, and Home Depot. Joining this elite industrial neighborhood means access to the same world-class transit infrastructure and supply chain efficiencies that drive the world's largest retailers.

This site offers a rare 'dual-incentive' advantage: located within the Port Manatee Encouragement Zone for fast-track development and reduced impact fees, while also eligible for FTZ No. 169 status to drastically reduce customs duties and operational overhead. Port Manatee Logistics Center is not just a location; it's a major financial advantage.
