Property Description

1150 Gemini Street is a highly sought-after six-story office building situated at the intersection of Gemini Street and Diana Lane in Houston, Texas. Its exceptional location makes it a premier choice for businesses in cutting-edge industries such as aerospace, oil and gas, healthcare, and other professional sectors, offering unparalleled convenience and accessibility for growth and innovation. The property is positioned within a 5-mile radius of major employers such as Lockheed Martin, Jacobs, Boeing, Axiom Space, Intuitive Machines, UTMB Health, and Kelsey-Seybold. The building features 24-hour controlled access, onsite management, and prominent signage opportunities, making it a prime location for business and accessibility.
