

ELMWOOD MANUFACTURING FACILITY FOR SALE OR LEASE

600 ELMWOOD PARK BOULEVARD | JEFFERSON PARISH, LA

BUILDING DESCRIPTION

Located on corner of Pepsi Street, near intersection of Jefferson Hwy. A 2-storied office and light assembly/light manufacturing facility, currently used by a large printing operation. Construction is steel frame with insulated (cellulose) metal roof and walls of metal and concrete block. Grade and dock loading (via recessed truckwell). Facility is comprised of the following areas:

First Floor: Gross area of approx. 70,252 s. f. of air-conditioned office area (2,311 s. f. +/-) and production area which is fully sprinklered. Air conditioned production space includes the following areas: press room and bindery, prepress, ink office & lab, roll storage, sheeter room, knife room & maintenance, loading dock (3600 sf non-HVAC) and production offices, lunch room, conference room and electrical room.

Second Floor: Approx. 11,250 s. f. of air-conditioned office area accessed by various stairwells. Also additional 60,000 s. f. of non-temperature controlled mezzanine storage area (concrete floor), which is accessed by freight elevator and/or various stairwells. Second Floor is also sprinklered and vented with large powered wall fans.

Total Improved Building area: 81,502 s. f. (exclusive of 60,000 s. f. (+/-) concrete mezzanine storage area)
