ADVANTAGES OF EARLY EDUCATION/CHILDCARE REAL ESTATE

- **HIGHER CAP RATES WITHOUT SACRIFICE**

Over the last 5 years we have seen an **86-basis point** spread on average **between single-tenant net-leased retail & early education/childcare** despite attractive locations & solid tenants **due to a lack of knowledge about the property type**

- **HIGH GROWTH BUSINESS**

\$60B+ Industry with projected **growth to \$83B+** by 2030

- **RECESSION & E-COMMERCE RESISTANT**

Early education is considered **recession-resistant** because working parents continue to rely on childcare **regardless of economic conditions**, making it an **essential**, non-discretionary service as well as **“Amazon proof”**

- **EASY TO RE-TENANT**

Early education properties are **easy to re-tenant**, with **high demand from other childcare operators and flexible layouts** that also appeal to **medical and service-based users**

- **“STICKY” BUSINESS MODEL**

Parents **don't typically switch schools** once enrolling, often **enroll all their children & recommend other families**

- **RECOGNIZED AS AN “ESSENTIAL BUSINESS”**

Early education and childcare are **recognized by both federal and state governments as essential services**, especially during emergencies, due to their critical role in supporting working families and child development

- **INSTITUTIONAL INVESTMENT**

Institutional investors are **heavily invested** in early education businesses and are the **predominant owners** of early education/childcare real estate

- **APPRECIATION POTENTIAL**

Early education properties offer **strong upside potential**, with **cap rate compression** at market peak and **added value** if a smaller tenant improves credit or gets acquired

LEEDS EQUITY PARTNERS ACQUIRES
BIG BLUE MARBLE ACADEMY

 [Click Here for Full Article](#)

Leeds Equity Partners ("Leeds Equity") announced today that it has acquired Big Blue Marble Academy ("BBMA" or the "Company"), a leading provider of early childhood education across the Southeast United States. Terms of the transaction were not disclosed.

Big Blue Marble Academy has 93 corporately operated US locations and is growing quickly. As of Jan 2024, the company was acquired by Leeds Equity Partners, a private equity firm. With an emphasis on broadening perspectives and creative expression, Big Blue Marble helps its students obtain social skills, positive character traits, and global awareness. Graduates are both eager and well prepared to take on the next chapter of their educational journeys. Big Blue Marble teaches children the importance of giving back and helping those in need through hands-on activities and "Heart Projects." The school provides students with needed structure while encouraging natural curiosity, which culminates in a love for learning. All the programs at Big Blue Marble are developmentally and age-suitable so that each child's specific needs are thoroughly met. The school strives to be a true home away from home for its students so they can grow to the best of their abilities in an exceptionally familiar and fun environment.

Leeds Equity is a New York-based private equity firm dedicated exclusively to partnering with management teams in the education, training, and information services industries (the "Knowledge Industries"). The firm was founded in 1993 and currently manages approximately \$5 billion of capital across a broad spectrum of companies within the Knowledge Industries. Leeds Equity seeks to leverage its sector-focused expertise and market insights to create long-term value for its partner companies and investors.
