## LOCATION OVERVIEW

“8888 Osler” building’s five ground floor commercial units are located between the Arthur Lang bridge and the Oak Street Bridge in Marpole area of Vancouver. This location conveniently connects the Vancouver & Richmond markets as well as the YVR Airport allowing for service multiple markets. The property is situated in close proximity to the commercial node around 71st and Granville as well as the Marine Gateway Canada Line Station and commercial hub in the South Cambie neighbourhood (in the approved Cambie Corridor Phase 2). In addition, the property is approximately 35 meters from Ebisu Park and 180 meters from Eburne Park offering owners and employees an outdoor/fresh air option close by. Marpole has seen an increase in residential density and construction by way of recently completed and upcoming townhouse, residential towers and laneway housing projects over the past handful of years and this trend will continue to add more residents to the neighbourhood as the area matures.
