INTRODUCTION

The Charles Hawkins Manufactured Home team is pleased to present Lockwood RV Park. Located at 4224 GA-56, Waynesboro, Georgia, this property is a ± 30.5 acre mobile home, cabin, and RV park listed for sale at \$1,450,000. From an investment perspective, the property offers an attractive cap rate. Based on the current Net Operating Income (NOI), it is priced at an **in-place 9.7% cap rate**. Furthermore, projections for the first year indicate a **cap rate of 16.7%**, underscoring the potential for significant returns. Additionally, there are 12 acres of undeveloped land zoned for 12 more duplexes (24 cabins). Currently, these cabins bring \$950/month in gross income. A development minded investor could generate **\$22,800/month in additional revenue**. Other value-add opportunities include billing utilities back to the tenants.

Over the past year, management has put an emphasis on finding more stable, long-term tenants. Most of the current tenants work in Augusta, which is a 10-15 minute drive. Rising rents and the addition of stable tenants are reflected in the 2024 income statement (see below).

Hurricane Helene damaged 1 mobile home and 2 cabins. Once repairs are completed on hurricane-damaged cabins, the gross potential income at current rates is \$33,950/month. These repairs will be completed before the sale of the property.

The property features well water, 15 septic systems, and an on-site manager who performs lawn care in exchange for free rent. Value-add opportunities include billing utilities to tenants, increasing rental rates, and increasing occupancy.

The gas station at the front of the property is scheduled to undergo renovations, underscoring the forward momentum of the surrounding areas.
