SALE / LEASE

5410 KNOX AVE

Billings, MT 59106

LOCATION OVERVIEW:

Located in one of Billings' premier west end industrial parks, this new construction facility sits in a well-established corridor that continues to attract the area's top industrial and commercial operators. Two separate electrical panels with 3-phase power available ensure the facility can meet the demands of virtually any industrial operation, and the high ceilings provide the overhead clearance needed for crane installation — a rare find in the Billings market.

The west end's proximity to major transportation routes makes it ideal for semi-truck traffic and heavy equipment movement, with the ability to add a small fenced laydown yard for outdoor storage users. This is an exceptional fit for contractors, equipment dealers, oilfield services, distributors, manufacturing operations, or any business that needs serious power, height, and room to work. The seller/landlord is willing to finish to suit, making this a true build-to-your-needs opportunity in one of the most active industrial corridors in the region.
