STUNNING CAMPUS DESIGN

The innovative design of this suburban campus offers an experience rare within the Minneapolis market. Inside and out, the contemporary design of Prairieview Commons provides tenants with a spectacular, creative office environment.

Soaring more than 13 feet tall, the open ceilings bring in abundant natural daylight and promote great connectivity throughout the office, while a sleek glass line offers incredible views of the surrounding wetlands and Purgatory Creek. Paired with the stunning modern architecture and efficient layout, this campus has everything you need to reenergize your employees.

UNRIVALED AMENITIES PACKAGE

Delivering a distinctively comprehensive amenity package that stands out in the Southwest submarket and separates the campus from other nearby corporate headquarter facilities.
