Description

From time to time, a previously owned Toy Barn unit becomes available. These resale units are rare and offer a second chance at ownership in one of Arizona's premier garage communities. Each unit includes gated access, 24-hour availability, a luxury clubhouse, and the flexibility to customize your space. If you've been waiting for the opportunity to secure your own space, now's the time. Don't miss your chance to join a passionate network of owners and gain access to a lifestyle built around what you love.
