Apartments
Located Near Prairie View
Texas A&M University

Skyland

13219 STAFFORD RD. | MISSOURI CITY, TX 77489

Investment Highlights

- **Stabilized, core-plus multifamily community** in a fast-growing corridor west of Houston, positioned to benefit from regional residential demand, employment migration, and limited new supply
- **Prime location with direct access** to U.S. Highway 290, offering efficient connectivity to the greater Houston metro (45 minutes) and Bryan-College Station (40 minutes), two of the fastest-growing markets in Texas
- **Surrounded by essential community infrastructure**, including nearby grocery, healthcare, education, and retail centers in Prairie View, Waller, and Hempstead
- **Within minutes of major regional employers**, including Daikin (~9,500+ employees) Waller ISD, Prairie View A&M University, local medical offices, and industrial/distribution parks along Highway 290
- **Affordability-driven renter demand**, with average rents at \$889/month (range: \$750–\$1,025), significantly below comparable rents in suburban Houston or College Station — delivering strong value for families and working professionals
- **Favorable cost-to-own spread**, with nearby single-family homes averaging ~\$325,000 (Zillow, 2024), positioning Reserve at Richards as a highly attractive alternative for rent-by-choice households
- **Institutional appeal with a suburban quality-of-life experience**, landscaped grounds, onsite amenities, and easy access to schools, shopping, and parks
- **Well-maintained asset with consistent occupancy**, strong in-place cash flow, and operational stability
- **Compelling Value-Add Opportunity** to drive future rent growth:
 - Select units may be upgraded with modern interior finishes (cabinets, fixtures, appliances) to achieve rental premiums
 - Opportunity to enhance curb appeal, signage, and community branding
- **Potential to add or improve amenities** such as outdoor gathering areas, fitness zones, pet facilities, or high-speed internet packages
- **Underserved market for upgraded** family-focused multifamily in this corridor supports a moderate renovation strategy without overpricing core tenant demand
