125 Seabrook Drive Kitchener

Located in the rapidly growing south end of Kitchener, 125 Seabrook Drive is positioned within a thriving residential and commercial community surrounded by new housing developments, schools, parks, and everyday amenities. The property benefits from strong local demographics and increasing population growth, making it an ideal destination for retail and service-oriented businesses.

Conveniently situated with quick access to major arterial roads and regional highways, the plaza offers excellent connectivity throughout Kitchener, Waterloo, and the surrounding Region of Waterloo. The area continues to experience significant new development and investment, creating strong long-term potential for businesses seeking exposure in an expanding market.

The new Phase 2 retail plaza is strategically located to serve both the immediate neighbourhood and the broader surrounding community, with ample parking and strong visibility within an active retail corridor.
