## 9.2 Height and Area Requirements.

9.2-1 Height. No structure or building may exceed 35 feet in height, measured at the eave.

9.2-2 Maximum Facade Length. No facade in the C-1 District shall exceed 150 feet in length.

9.2-3 Front Yards. The minimum front yard setback is 25 feet, except where established buildings in this district within the same block have front yards of less depth. Any building hereinafter constructed shall provide a front yard a minimum depth of which shall be twenty-five (25) feet from the street line (front property line, provided that if forty (40) percent or more of the frontage on the same side of a street between two (2) intersecting streets is developed with buildings having a greater front yard depth, the average of such front yard depth shall establish the minimum front yard depth for the entire frontage).

9.2-4 Side Yards. No side yard setbacks are required except where the property directly abuts a lot in the R-1 District, then a side setback of 7.5 feet shall be required. Any residential use or combined residential-commercial use in C-1 shall have a 7.5-foot side yard.

9.2-5 Rear Yards. The depth of a rear yard shall be at least fifteen (15%) percent of the depth of the lot, with a maximum width of twenty (20) feet.

9.2-6 Width of Lot. The minimum lot width shall be fifty (50) feet, if used exclusively for uses enumerated in R-1 District, except as otherwise provided, in the R-1 District standards.

9.2-7 Corner Lots. A minimum twenty-five (25) foot front yard and side yard adjacent to streets shall be required on all corner lots. A canopy of at least six (6) feet in height, attached to the primary structure may be built within fifteen (15) feet of the right-of-way so long as such construction is not supported by columns that will obstruct the vision of vehicles driving upon adjacent streets.

9.2-8 Lot Area per Family. 8,625 square feet per family, with the exception of nonconforming lots of record, this regulation shall not prohibit the erection of one single-family dwelling. Where a public sewer is not accessible, each lot shall provide not less than 10,000 square feet per family.

(Ordinance 621 adopted 3/24/83; Ordinance 671 adopted 5/24/84; Ordinance 971 adopted 12/13/90; Ordinance 1141 adopted 7/8/96; Ordinance 1183 adopted 9/22/97; Ordinance 2158 adopted 6/11/01; Ordinance 3037 adopted 5/23/2022)
