The city boasts a diverse economy supported by education, healthcare, manufacturing, and retail, anchored by California State University San Marcos and Palomar College. With ongoing commercial development, a highly educated workforce, and a high quality of life, San Marcos presents an exceptional opportunity for business growth and investment.

## TOURISM

More than 35 million people visit San Diego each year who spend nearly \$10.4 billion. With consistently desirable weather all year-round, 70 miles of coastline, ample amounts of family attractions, hiking, biking trails, as well as 90 golf courses and a large convention center, it is no surprise San Diego is ranked in the top 10 business and leisure destinations around the Country. Tourism employs more than 183,000 people in a variety of positions, as it ranks number three in San Diego's traded economies.

50% of San Diego's regional economy amounts from their local economy, this includes retailers, restaurants, professional and business service providers, and state-of-the-art healthcare. San Diego is consistently recognized as the Craft Beer Capital of America with more than 130 brewhouses, and ranked #2 best beer cities in America.

## INNOVATION

San Diego is recognized as one of the leading high-tech hubs in the U.S, with the most diverse high-tech sector in the nation and voted best place in America to launch a startup by Forbes magazine.

With valuable innovations and technology, the city is anchored by established life science, communications, cleantech and software industries.

San Diego has six universities, and more than 80 research institutes receive around \$1.8 billion in annual federal and philanthropic funding to conduct ground-breaking technological and medical research.

There are over 63,000 professional in science and engineering jobs, while 40% of degree holders have their first degree in a STEM field. From 2010-2014, there was a 23.4% increase in millennial degree holders.

## MILITARY

San Diego has the largest concentration of military in the world. The defense cluster plays a critical role in the region's innovation, economy, and National security. An estimated \$23.3 billion in direct spending related to defense has been spent to San Diego County during fiscal year 2016.

San Diego contains the highest number of active duty military, and numerous jobs are supported across all occupational types, representing one out of every five jobs in the region.

The network of Sailors, Marines, members of the Reserves, civilian employees, aerospace firms, shipbuilders, electronics companies, software developers, researchers, and the various supply chains in San Diego represent a vital military ecosystem unparalleled anywhere else in the world.
