### OWNERSHIP

120 King Street West is owned by Fourth Real Properties Limited.

### MANAGEMENT

The building is managed by the owner, part of the Real group of companies. The management office is on-site and includes a knowledgeable building operations staff. The Real group has been operating in Canada for over 45 years and currently manages over 3.3 million square feet of office, industrial and retail space across the country.

### SECURITY

The lobby security desk is staffed during business hours, with guards patrolling regularly and available on-site 24 hours a day. The building is also secured by a card-access system controlling after-hours access to the building entrance and elevators.

### ELEVATOR

120 King Street West has eight Schindler elevators in two banks, fully modernized and re-built in 2017, providing excellent performance and reliability. One elevator in each bank accesses the parkade.

### LIFE SAFETY

The building is equipped with a double-stage, addressable fire alarm system. Each floor is fully sprinklered, along with speakers to alert, evacuate and/or page tenants. A smoke-shaft fan exhausts smoke from the floor that is in alarm, and stairwells are pressurized with 100 percent outdoor air. There is also an emergency generator that powers the elevator, lighting and fire-equipment systems.

### MECHANICAL

A computerized facility-management system monitors and controls HVAC equipment. Fan systems supply treated air to a variable air volume (VAV) distribution system. Cooling is provided by two Trane CenTraVac chillers and hot-water boilers supply a hot-water perimeter heating system.

### LIGHTING

The building is equipped with a computerized lighting control system. Floor lighting is programmed depending on occupancy, and tenants can control after hours lighting.

### BOMA BEST

120 King Street West has achieved a Silver Certification awarded by the Building Owners and Managers Association of Canada (BOMA), recognizing Best Practices in environmental leadership within the commercial real estate industry.
