ARRIVING SPRING 2025

Edenvale Industrial Park features flexible parking, build-to-suit office space and more dock-high doors per building than others in the market.

FLEXIBLE USE

Ready for logistics or advanced manufacturing

EFFICIENT DESIGN

Built for easy delivery and distribution - inside and out

SITED FOR SUCCESS

Reach consumers, customers, talent and labor from an exceptional, central site

BUILT FOR EFFICIENCY

TAILORED TO YOUR OPERATION

Design an assembly or distribution line around 34-46 dock-high doors

Deliver materials directly to where they're needed in the manufacturing or fulfillment process

Install equipment pads with ease and save on fit-out costs

Build-to-suit office gives you the right amount of space for every purpose

Trailer parking can be easily converted to auto parking, depending on tenant need

EQUIPPED FOR EFFICIENCY

Above-average number of dock-high doors in every building means trucks spend less time staging and more

Trailer parking spots allow for efficient storage and clear truck courts

Truck courts allow for easy maneuverability and uninterrupted loading

WHERE LABOR MEETS DEMAND

Direct access to both directions of US-101

CA-85 connects to customers and talent in the Silicon Valley core

Accessible commute for talent and labor from the north and south
