Athens Concrete

Athens Concrete is a locally established construction materials company headquartered in Athens, Wisconsin, specializing in the production and delivery of ready-mix concrete for commercial, agricultural, infrastructure, and residential construction projects throughout Central Wisconsin. The company serves a regional customer base and plays a key role in supplying concrete materials for local development and infrastructure projects.

Athens Concrete operates from 1200 Mount View Lane, Athens, WI, where the facility supports batching, storage, and distribution operations. The property is mission-critical to the tenant's operations due to its strategic location and ability to accommodate material storage, truck circulation, and industrial use.
