OFFERING OVERVIEW

The Finem Group at Meybohm Commercial is pleased to exclusively present 1219 New Savannah Road, a ±33,200 SF industrial facility situated on ±3.9 acres in one of Augusta's most accessible and strategically located industrial corridors. Zoned Heavy Industrial (HI) and positioned just off Gordon Highway, the property offers direct access to I-520, making it an ideal candidate for users seeking a flexible and well-located distribution or operational hub within the Greater Augusta MSA.

The property consists of two separate warehouse buildings with distinct utility. The front building totals ±15,840 SF and includes two dock-high doors and an office space that is being fully renovated. The ceiling height in this building is 10'. This structure offers clear functionality for users requiring both administrative and operational capabilities in one location.

The rear building provides ±19,000 SF of warehouse space with 21' clear heights and four additional dock-high doors. Recent upgrades to the rear building include a new roof and exterior wall renovations, enhancing its functionality for users seeking high-capacity warehouse or covered storage space. The structure's volume and access make it well-positioned for users requiring vertical racking, inventory staging, or logistics operations.

Located within a designated industrial node and offering full-motion access, 1219 New Savannah Road is a compelling option for a variety of industrial users. Potential users include last-mile logistics companies, third-party distributors, fleet and equipment service providers, or construction-related operators needing functional separation between office and warehouse activities. The property's combination of clear height, dock access, and flexible configurations make it a strong candidate for users with hybrid operational needs across storage, staging, and management.

LOCATION SUMMARY

1219 New Savannah Road is strategically located just off I-520 and Gordon Highway, providing immediate access to Augusta's key industrial and commercial corridors. The corridor serves as a primary route for logistics and distribution. It offers direct connectivity to the Port of Savannah, Port of Charleston, and major interstates including I-20 and I-95. The site supports efficient access to the broader CSRA region, including Grovetown, Fort Eisenhower, and Aiken.

The property lies within a designated industrial node, surrounded by compatible users in warehousing, service, and distribution sectors. The surrounding infrastructure is truck-friendly, with wide roadways and signalized intersections that facilitate freight movement and daily operations. As Augusta's industrial market continues to grow, the site offers a rare combination of zoning, infrastructure, and location advantages for companies requiring regional access and operational flexibility.

LOCATION OVERVIEW

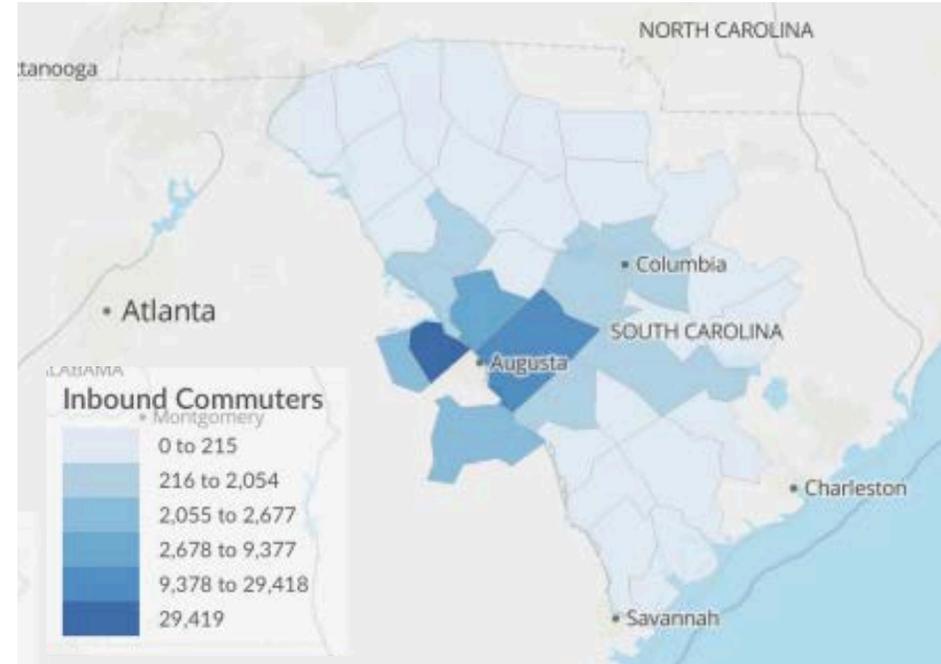

WORKFORCE

Augusta is a regional center of medicine, biotechnology, and cyber security. Augusta University, the state's only public health sciences graduate university, employs over 7,000 people. Along with University Hospital, the Medical District of Augusta employs over 25,000 people and has an economic impact of over \$1.8 billion. Within the next few years, the city is expected to have rapid population growth of 10,000+ residents due to the announcement of the United States Army Cyber Command that will be located in Fort Gordon.

The city's three largest employers are Augusta University, the Savannah River Site (a Department of Energy nuclear facility), and the U.S. Army Cyber Center of Excellence at Fort Gordon, which oversees training for Cyber, Signal Corps, and Electronic Warfare. Other Companies with headquarters or distribution centers in the CSRA are but limited to, EZ-Go, Bridgestone, Tax Slayer, John Deere, Amazon, Kellogg's Kimberly Clark, Graphic Packaging International, and more.

“Georgia earned a No. 1 ranking for the 14th year in a row for its nationally recognized workforce development program -- Georgia Quick Start -- in addition to a No. 1 ranking for competitive labor market.”

48,779 individuals commute into Richmond County on a daily basis with an outbound total of 18,225 individuals, meaning there is substantial potential for capturing quality labor currently leaving the county.

WHY? GEORGIA

KEY DRIVERS

By 2050 Georgia's Population is projected to increase by nearly 2.5 Million people and Georgia's workforce is expected to grow by 3.1 million jobs. This incredible growth puts increased demands on Georgia's freight and logistics infrastructure which transports personal goods for families, raw materials to Georgia businesses, and moves products across the state and nation

Annual Georgia Freight Tonnage will increase 91% by 2050

Congestion costs for Georgia based traffic are projected to increase more than 100% by 2050

Manufacturing is expected to grow by 77% by 2050

Agriculture is expected to grow by 43% by 2050

Distribution freight flows are expected to more than triple from 2019 to 2050

WHY? AUGUSTA

OVERVIEW

Augusta is in a perfect phase for business. Right-sized, ideally strategically located, with a backbone of education, medical, and military pumping out a solid labor force, the city has become a beacon for companies to set up shop. **Infrastructure, labor force, cost of living, location, education, industry- they are all leading companies large and small to Augusta.**

HOME OF THE AUGUSTA NATIONAL

Year after year during the first full week of April, golf fans descend on Augusta by the thousands. The annual event marks a boom for the local economy with over 200,000 average attendees. Augusta is known as the golf capital of the universe for good reason, and the love of golf extends well beyond the confines of Augusta National. It attracts politicians, athletes, musicians, Corporate CEOs, and many more which brings some of the world's most powerful people all in the same week to Augusta, GA.

MASTERS

A WELL CONNECTED CITY

Few places are as ideally located as Augusta. The city sits on I-20 between Atlanta (eastbound) and Columbia (westbound), with every major artery of Southeastern Interstate within easy reach, especially I-95 and I-77.

Augusta is less than 150 miles from the Ports of Savannah and Charleston.

Augusta's regional airport has direct flights to Atlanta, Charlotte, Washington DC, and Dallas.

CYBER CITY

The Augusta Region has long been a hotbed for the tech- and cyber-related companies such as Unisys, ADP, and Raytheon. Now, Augusta is home to the US Cyber Command at Fort Gordon and the newly completed Georgia Cyber Center, a \$100 million investment and the largest government cybersecurity facility in the United States.

U.S. Army Cyber Command (ARCYBER) is the Army headquarters beneath United States Cyber Command.

HEALTHCARE

Augusta University is Georgia's health sciences university, offering resources and services for those throughout the state and beyond. It features the Medical College of Georgia, the Dental College of Georgia, and a highly sought-after nursing program.

There are 12 total Hospitals in the area with a brand new one being constructed.

Doctor's Hospital in Augusta is the largest burn center in the United States and the third largest in the world.

LOW HOUSING COSTS

One of the biggest jewels in Augusta's crown is our low housing cost. Here, a broad variety of options are available, encompassing everything from new TND neighborhoods to established communities of antebellum and craftsman style homes.

Our market is more than 50% less than the national average, complimenting the low cost of living and doing business in Augusta.

THE PORT OF SAVANNAH

PORT OF SAVANNAH OVERVIEW

The Port of Savannah is one of the most critical logistics hubs on the U.S. East Coast, offering direct access to major transportation networks, including railways and interstates. Over the past decade, the Port has grown over 90% with layers of continued expansion capability. Its strategic location and status as the largest single-terminal container port in North America make it a key asset for industrial users, particularly those involved in manufacturing, distribution, and e-commerce. The port's capacity to handle high volumes of cargo efficiently helps industrial businesses reduce shipping costs and improve supply chain reliability, making it an attractive area for warehouses, distribution centers, and manufacturing facilities.

THE PORT OF CHARLESTON

PORT OF CHARLESTON OVERVIEW

The Port of Charleston, SC is one of the fastest-growing ports in the United States and it now has the deepest harbor on the East Coast which allows it to handle the largest ships in the world. This port alone supports about 10% of the jobs in the state and has an economic impact of over \$33 Billion on the Upstate economies.

South Carolina is a manufacturing and exporting state and one of the main reasons for this is the Port of Charleston. Not only is there a high demand for industrial and warehouse space in Charleston, SC but industrial buildings all over the state are positively affected by the Port of Charleston.

HOW WE HELP OUR CLIENTS

REGIONAL EXPERTISE MEETS ADVANCED DATA & MARKETING

REGIONAL EXPERTISE & KNOWLEDGE

By way of our particular regional focus on industrial properties, we are track space availabilities, tenant needs, off-market properties and more.

TOP-OF-MARKET LISTING PRESENTATION

We aim to present all of our listings in a manner that allows the highest and best user to understand if they should be interested in a matter of seconds.

EXPERIENCED NEGOTIATORS/DEAL-MAKERS

We negotiated on behalf of our clients, making sure their best interests are closely guarded, while creatively working with others to get deals done!

SEGMENTED, DETERMINED MARKETING

Our proprietary database of regional businesses, tenants and buyers affords us the ability target and market our listings directly to those most likely to be in need.

BUSINESS-MINDED EXPERTISE

We are a team of SIOR & CCIM-educated brokers with MBAs and with experience running our own businesses

DATA-DRIVEN DECISION-MAKING

The numbers speak for themselves and we dig deep to understand ROI/IRR, so you can know the best course given the data
